

NHS CHIEF AT PUBLIC MEET

BY BEN MIDDLETON
ben@tindlenews.co.uk

A MEETING to discuss the future of a dedicated mental health facility in Honiton is set to take place on Monday, November 30th.

As previously reported, services at The Bungalow have been suspended since July this year.

The facility provides specialist dementia care to residents from Honiton and the surrounding area.

Iain Tulley, chief executive of the Devon Partnership NHS Trust, has been invited to attend the meeting, which will be held in the Senior Citizens' Centre from 6.30pm.

Members of the public will be able to put their questions to Mr Tulley and express their views during the meeting.

Honiton town councillor Alf Boom said: "Iain Tulley will be addressing a public meeting called by Honiton Town Council to hear about the plans for people with dementia and Alzheimer's on Monday, November 30th.

"This meeting will give everyone who is concerned about the closure of The Bungalow the chance to give their views to Mr Tulley who is the chief executive officer for the partnership trust, the part of the NHS who provides for people with a mental illness and learning disabilities."

The Northcote Lane Residents Association is also calling for the service to be re-opened.

Ken Sherman, chairman of the association, said: "Everyone is for any group that is opposing the unwarranted and unnecessary closure of The Bungalow services. These services are very much needed and very much appreciated."

The decision to suspend the services at The Bungalow has been widely criticised by town councillors, Honiton based GPs, families of patients with dementia and the Honiton Hospital league of friends.

During a recent town council meeting concerns were raised that The Bungalow could be closed permanently. However, this has since been denied by John Rom, the trust's director of policy and partnerships.

Mr Rom said The Bungalow is likely to re-open in the New Year but he couldn't give an exact timescale.

Investigation of explosion

POLICE are still investigating the cause of the explosion that took place during the annual Ottery St Mary Tar Barrels event on Thursday, November 5th.

Allegedly someone threw an aerosol canister into one of the burning barrels. The canister burst and 12 people suffered injury.

Officers say a number of leads are being followed.

The blast has put future events in the balance and a Facebook page has been set up with contributors urging the person responsible to come forward.

At the time of writing there had been no arrests in connection with the incident.

Firms' invite to career day

HONITON Community College will be holding a careers convention on Thursday, February 4th 2010, at Honiton Sports Centre.

Any company or organisation that would like to take part in the event is asked to contact Sue Miller at the college on 01404 42283 for more information.

Members of the public and students are invited to attend the event and it has been described as an ideal opportunity to find out about careers, education, training and volunteering in east Devon and further afield.

Stolen bike info sought

A **GREY** mountain bike has been stolen from a property in Streamers Meadows, Honiton.

The theft took place sometime between 2am and 5am on Friday, November 6th.

The men's bike is a Saracen model and has a white seat with white writing on the frame.

Anyone with information should contact Honiton police on 08452 777444 quoting crime number KH/09/1002. Alternatively contact Crimestoppers on 0800 555111.

Cooker blaze smoke victim

A **PROPERTY** in Orchard Way, Honiton, was the scene of a cooker fire on Wednesday, November 18th.

The incident took place just before 1.30pm and firefighters from Honiton and Ottery St Mary attended the scene.

The fire was extinguished and the cooker was removed to the outside of the property.

One woman was treated at the scene suffering from smoke inhalation.

The cause of the fire is believed to be accidental.

Library holds a craft event

PEOPLE of all ages are invited to a Christmas craft event on Tuesday, December 1st, from 3pm until 5pm, in Ottery St Mary Library.

A library service spokesperson said: "Drop in and have a go at some Christmas crafts, suitable for all ages including adults.

"All materials will be provided and help will be at hand."

Fire escape for pet baby tortoise survives blaze

BY BEN MIDDLETON
ben@findlenews.co.uk

A FAMILY pet had a lucky escape after a flat blaze in Honiton.

Firefighters were called to the property in the Whitebridges area of the town in the early hours on the morning of Wednesday, November 18th.

A baby tortoise was found asleep at the

back of the home when the fire broke out just after 3.30am.

The sounding of the fire alarm alerted the owners to the potential disaster and they quickly got in touch with the fire and rescue service.

The blaze is believed to have been started by discarded newspapers left in the front room of the flat.

A spokesman for the Devon and Somerset

Fire and Rescue Service added: "Two appliances from Honiton were sent to a report of a flat on fire in Whitebridges.

"The fire was in the lounge of a ground floor flat involving a lamp and a pile of newspapers.

"Crews used breathing apparatus and one hose reel jet to put the fire out.

"One baby tortoise was rescued by fire service personnel."

Extra space for students as £1.4m school building opens

A NEW building — housing the geography department, The Sixth Form Centre and an IT room — was officially opened at The King's School in Ottery St Mary on Wednesday, November 18th.

The £1.4million expansion was opened by county councillor John Berry at 2.30pm.

Headteacher Faith Jarrett said: "I am delighted with the much-needed extra accommodation provided for our students and staff."

Because of poor access to the school, the new two-storey building was manufactured off-site and delivered in modules.

It was then assembled and fitted out on-site leading to a much shorter construction

period than usual, according to the county council.

Devon County Council Cabinet Member for Schools and Skills, Christine Channon, said: "King's is one of our most successful and high-achieving secondary schools and it is pleasing to be able to provide extra accommodation and facilities for the hard-working students and staff."

Vandals wreck club's fencing

A LARGE section of fencing surrounding Honiton Bowling Club has been pulled down by vandals.

The vandalism took place at about 9.15pm on Thursday, November 19th and PC Ian Atyeo said: "A member of public from a neighbouring property heard the sounds of splintering wood and, on looking out of a first floor window, saw what they believed to be youths making off across the playing field towards the 'Gissage' and Millers Way. At least one of these persons had a torch."

Anyone who may have seen or heard something that could help investigators is asked to contact PC Atyeo at Honiton Police Station or call him through the force switchboard on 08452 777 444. The crime reference number is KH/09/1044.

Police report drop in crime

CRIME is down in Honiton according to police reports.

During the monthly council meeting PC Ian Atyeo, neighbourhood beat manager for Honiton, said there had been 74 crimes committed from the beginning of October to beginning of November this year, described by police as a drop. However, four of the incidents were house burglaries.

Two homes were raided after the offenders gained entry through ground floor windows, another involved an invited guest who went into a different part of the property and the fourth was a break in at an internal garage and an attempt to break into the house.

Burglars hit shed owners

POLICE are investigating an overnight spree of shed burglaries in Axminster.

At least eight sheds were broken into in Woodbury Lane and Lyme Road areas overnight between Sunday, November 22nd and Monday, November 23rd.

A complete list of stolen items was being compiled as *Pulman's View* went to press, but burglars appear to have emphasised on petrol-driven gardening equipment such as mowers and trimmers.

Anyone who saw or heard something suspicious is asked to call Axminster police through the force switchboard on 08452 777 444.

Fags stolen worth £6k

CIGARETTES and tobacco worth an estimated £6,000 were stolen during a break-in at the filling station in Uplyme.

Entry was gained through a rear window at some point between 7.30pm on Wednesday, November 18th and 5.30am the following morning.

Police would like to hear from anyone with information that could help investigators.

Those with information are asked to call 08452 777 444 and ask for Axminster police.

The crime reference number is KA/09/587.

'Stringent' test failed by beach

BY ANDERS LARSSON
anders@tindlenews.co.uk

THE water at Seaton's beach passed one quality test but failed a more stringent one, the Environment Agency (EA) has revealed.

The EA monitors bathing water quality at 495 bathing water sites in England and Wales by taking 20 samples at every site during the bathing season (May to September). If a site submits two or more samples that exceed a set level, it fails.

Seaton passed what is known as the mandatory standards test but failed the guideline standards test.

An EA spokesperson explained: "The quality of bathing water is assessed by comparing the results of

analysis against the standards in the European Bathing Waters Directive.

"The main standards are microbiological parameters which indicate the presence of faecal pollution from either human or animal sources.

"There are two sets of standards: the mandatory standards that must be met and the guideline standards.

"The guideline standards are 20 times more stringent than the mandatory standards."

When asked what the reason was for Seaton failing the guideline standards test, the EA spokesperson said: "It was a heavy rain event that caused diffuse run off into the river systems and several beaches were affected.

"Seaton in particular was affected by the River Axe."

In England and Wales, 98.6 per cent of bathing waters passed the mandatory standards test this year — and 82.2 per cent met the more stringent guideline standards test.

The EA spokesperson also said: "The Environment Agency is working hard to further improve bathing water quality which faces pressures from a variety of sources including run off from farmland and urban areas and storm overflows from sewers.

"In addition, cutting-edge technology is assisting in tracing the source of faecal and sewage pollution, whether it is runoff from agricultural land or from a sewage outlet pipe.

"This DNA-based technique is currently being used at numerous bathing water sites around the country."

Animator works with Peter Kay on charity video

BY BEN MIDDLETON
ben@tindlenews.co.uk

A FORMER Seaton resident and pupil of Axe Valley Community College has hit the big time and his work was featured on the BBC's Children in Need programme.

Andy Shackleford studied animation at the University of Glamorgan, Wales, and at just after 7pm on Friday, November 20th an animated project he had been working on with comedian Peter Kay was screened.

The project, a charity single by the comedian, was kept under wraps until it was aired on TV.

Andy said: "Basically Peter does the voice-over for Roary the Racing Car which is another series that I work on and he organised this charity single.

"Peter is just like he is on stage but maybe a bit more serious.

"I can't wait for it (the single) to be shown. It is going to be something that I have worked on that everyone is going to see. Hopefully it will go to number one.

"The single will be out in the shops on Monday (November 23rd)."

The animated video featured 100 famous faces from the UK and USA and took two years to create.

The organisers of Children in Need have said they are hoping that the

single can reproduce the success of Kay's 2005 cover version of Tony Christie's 'Is this the Way to Amarillo'.

Andy's parents, Fred and Stephanie, who still live in Seaton, said they were extremely proud of their son.

Fred said: "We are so very proud, when he was trying to get into university a lot of people in Seaton gave him a lot of support and they deserve a lot of thanks.

"Most people won't realise how well he has done. But to work with someone like Peter Kay and for his work to be shown on the BBC is really incredible."

Stephanie said she would like to thank everyone who helped Andy before he went to university and during his time studying there.

She said: "Various charities in Seaton have helped Andy when he was at university and when he was at Axe Valley.

"We would like to say thank you to the Seaton Lions Club, Seaton Rotary, Seaton Phoenix and Seaton Film Club.

"They all helped Andy in one way or another to progress and get his degree and then get his job. We really appreciate all their support and I know Andy does as well."

The single and video is also available as a download and all proceeds will go to Children in Need.

AN international holiday company that a Seaton man was travelling with when he suffered injuries has lost a court battle and will now have to pay out thousands of pounds worth of compensation.

The excursion was provided by Crystal/TUI UK Ltd, a partner of Thomson Holidays.

Ron Nethersole, of Seaton Down Road, was getting ready to enjoy a skiing holiday in the resort of Borovets when the accident happened in January 2005.

The coach he and 23 other British passengers were travelling in left the road, drove down a bank and overturned.

Several passengers received minor injuries and at least two people were taken to hospital as a result of the accident.

Mr Nethersole said: "We were diverted to a different airport because of bad weather and this is when we met the coach. There was no rep on board and it was a catalogue of disasters from the start.

"We stopped at services and the coach driver wasn't counting people on and off.

"When we set off again someone realised that we had left two people behind and we had to do a u-turn to go and pick them up and this is when the accident happened.

"We managed to scramble to safety and got back to the services. It was snowing and cold and we had to wait six hours for another coach to pick us up.

"I received mainly muscle injuries but my ex-partner suffered chest and leg injuries. There were no seat belts on the coach either."

Originally the holiday company denied liability and claimed the accident was caused by a strong gust of wind that blew the coach off the road.

COACH CRASH FIRM LOSES COURT BATTLE

◆ THE coach Mr Nethersole and 23 other British passengers were travelling in crashed while he was on holiday in Bulgaria

However, following a three day trial at Birmingham County Court at the beginning of November, they were forced to accept liability.

Mr Nethersole added: "I am relieved that this is all over and that there has been a successful outcome. I, and the other passengers on the coach, have had to wait almost five years for answers and it is such a relief to know now that the driver was to blame for this accident.

"I can't believe the case dragged on for almost five years but I am glad the

judge ruled in our favour."

Marion Telsnig, of TUI Ski, said the company was disappointed with the outcome.

She said: "TUI Ski is disappointed with the outcome of the court case, as the company has always maintained that the accident happened due to severe weather conditions at the time.

"Safety has and always will be TUI Ski's number one priority. Nearly 400,000 people holiday with the company annually and we recognise that accidents can and will happen,

therefore particular importance is placed on the health and safety of all our customers.

"Finally, TUI Ski recognises that the last four years have been distressing for all who were involved in the crash, and we are sorry that this accident happened."

Philip Banks, a travel law specialist with Irwin Mitchell solicitors in Birmingham, worked on the case on behalf of Mr Nethersole.

Mr Banks said: "I am extremely pleased that the judge found in favour

of our clients on the basis that he considered the accident to have been caused by driver error.

"It is remarkable that the tour operator denied liability throughout and, despite our requests, refused to negotiate settlements for our clients before the trial.

"If they had done so this case could have been resolved years ago, giving our clients the damages they deserve and substantially reducing the legal costs, which the defendants have also been ordered to pay by the judge."

EDDC warns of fraudsters

EAST Devon District Council has issued a warning about fraudsters pretending to represent the council.

In a number of cases, people have been called up by someone promising a council tax refund before asking for bank card details.

Councillor Andrew Moulding, portfolio holder Resources, said: "If you are contacted by someone that you are unsure about, please don't be tricked under any circumstances.

"Officers at EDDC do telephone customers, but would never ask them for a credit card security number over the telephone. If you are in any doubt, finish the call straight away".

Residents are urged to report any suspect calls to EDDC's Customer Services and Revenues manager Libby Jarrett on 01395 517 446 or email revenues@eastdevon.gov.uk

You can also call Crimestoppers on 0800 555 111.

Fundraising Peru raffle

A CHARITY raffle is still taking place at the Tower Garage in Seaton.

The raffle is in aid of Colyton resident Chrissie Heath who will be taking part in a sponsored trek up Mount Machu Pichu in Peru early next year.

Chrissie will be donating the money she raises to the Alzheimer's Society.

So far more than £900 has been raised and the raffle is continuing for the next couple of weeks.

Award for town's breakthrough cop

A DETECTIVE constable based in Honiton has been commended for his "resilience, dedication and professionalism" when investigating a crime spree in Seaton.

Devon and Cornwall Constabulary staged an award ceremony in Totnes recently, and one of those praised was DC Steven Harrison.

He received a Chief Constable's Commendation for not taking no for an answer and keeping at it until he got the breakthrough he needed.

A constabulary spokesperson explained: "In February 2009, two prolific offenders set up a crime spree in Seaton that resulted in a series of dwelling burglaries and significantly impacted upon the well-being and safety of the local community.

"DC Steven Harrison was the officer in the case. Following the arrest of one offender from forensic evidence, more than 100 exhibits were collected from several premises.

"It was only through DC Harrison's initiative, diligent enquiries and perseverance that he was able to positively identify items stolen from a series of burglaries despite the fact that none of the property was readily identifiable by serial numbers or unique appearance.

"Undeterred by the suspects' continued denials, his detailed and professional questioning eventually resulted in one of the suspects pleading guilty to nine counts of dwelling burglary and the other receiving 10 years' imprisonment for his involvement.

"DC Harrison's commitment was evidenced further by his exceptional presentation of evidence in the court file which drew high praise from the Crown Prosecution Service.

"For his resilience, dedication and professionalism, the Chief Constable has pleasure in awarding DC Steven Harrison his Commendation."

In the editor's shoes

KATE ERIN MEW

It seems that being 30 has its up sides...

IT seems that reaching the grand old age of 30 is not as bad as one might have expected after all.

Although I am now no longer a rare twenty-something newspaper editor but rather just a run-of-the-mill 30-something hack, being a grown-up doesn't seem that bad.

With a week away from the office, a birthday bash and a mini-break with My Lovely Farmer, I am feeling refreshed and much less depressed than I first anticipated.

A hoard of guests descended into the usually sleepy village of Rousdon for my birthday party and, despite my 'stage fright' at the beginning (not one for being centre of attention after all, it seems), I ended up having a fabulous night.

The venue was one of the area's best-kept secrets for such an event. The Peek Hall, Rousdon, a school hall originally which looked after the children of the families who worked on the Rousdon estate, I am told, was an excellent setting with its old school bell tower and everything you could want for such an occasion and at a fraction of the price of similar types of venue.

The building is also steeped in history and, as a plaque outside reads, it was the first school in the country to serve hot school dinners.

I was lucky enough that lots of friends and family joined in the celebrations, particularly my two oldest pals who travelled down from Kent and Essex especially, and my mum made a very brave speech during which I tried not to cry off all my carefully-applied make-up.

With the paper safe in the hands of my sub-editor and two 'award-winning' reporters, I then jetted off to the Cotswolds for a few days with MLF.

November is not the best month to holiday if you want lots of attractions to visit as most close for the winter, but we kept ourselves occupied with the scenery, shops, National Trust sites and various pubs.

Broadway is a village nearby to where we stayed and, if anyone is passing that way, visiting is a must being one of the prettiest places I have ever seen with its yellow and gold stone houses and quaint little shops tucked in between.

On my actual birthday, we visited Broadway Tower, a tiny but very tall castle, owned by the National Trust, which looks out across the vast countryside and houses a great deal of detail within its walls to its interesting history and the stories of its past. If the history part doesn't do it for you — the spectacular views from the top will.

We also learned that the castle itself is prone to moving and swaying more than one would enjoy on a windy day. Typically, the day we went was a little more than blustery so it was a bit hair-raising when we reached the top.

In the evening, I was wine and dined in a super restaurant which followed a swim in the hotel spa complex and the day was polished off nicely with champagne. What more could a girl ask for? Read on.

So, in all, 30 doesn't seem too bad. And My Lovely Farmer — who is still mid-twenties — must agree with that statement, otherwise he would never have asked me to marry him last week!

ALWAYS HERE TO HELP

New road for store's driving force, Caroline

BY ANDERS LARSSON
anders@tindlenews.co.uk

"BEHIND every successful man is a good woman."

Those are the words of Caroline Vincent and the reason why she is leaving her post as Trinity House manager to do admin and cab driving.

Her partner, Richard Payne, runs a taxi company and chances are that anyone ordering a cab will be taken to their destination by Caroline.

Whilst she will do a lot of administrative work, she has passed the relevant test to work as a cabbie.

"So I can drive, and I will drive," she said.

The store has undergone massive transformation during her 10 years as manager, including the acquisition of adjacent and vacant shop premises to become a centrepiece in the heart of the town.

Caroline said: "When I was appointed to the role in 1999 the store had only four employees and consisted of a small ladieswear, menswear, underwear and linen departments.

The store currently has 44 employees and Caroline admitted that leaving won't be easy.

She said: "It is a lifestyle choice as well, working from home. It was a tough decision to leave, having worked here and seen it [the store] grow.

Caroline is confident Trinity House will continue to prosper and said: "With the appointment of Mark Hankey as the new store manager I am confident that the store will continue to flourish, as Mark has a strong retailing background.

"Previously employed as the deputy manager, Mark has a good understanding of the business and the drive to ensure that the store retains its high standing within the town.

"I have thoroughly enjoyed my time here and have relished the challenge this role has given me. I have been fortunate to work with a loyal and dedicated group of staff who all work tirelessly to make the store a pleasure to shop in."

Superheroes club together

◆ SOME of the children in their guises

MORE than 30 kids dressed up in a variety of guises — including Buzz Lightyear and Spiderman — at a superhero day in Seaton.

The children came from Seaton Primary School and the event was hosted by the leaders of the King's Club, a local after school club.

Several activities were offered and the event compere, Reverend Simon d'Albertanson, from Seaton Baptist Church, said: "It was brilliant fun and offered children a safe and exciting alternative activity on October 31st [Halloween].

"We're hugely grateful to the churches of Seaton, the primary school for the volunteer helpers and donations of party food, and Christians Together in Seaton who gave us a grant to make the event possible."

Treasure hunt for kids at shop event

AN Ottery St Mary hardware store will be running a children's treasure hunt during the town's late night shopping event.

Abbotts DIY, Jesu Street, Ottery, has been holding the event for the past three years.

Chris Abbott, of the Ottery store, said: "The treasure hunt has proved to be a massive hit with the children who go around the store, finding particular items and all who complete the course go home with a goodie bag, balloon and

certificate."

The theme of this year's hunt is being kept secret.

Tony Abbott added: "We have run this event now for three years, and the children have really loved it. The shop is full of children doing the event and their parents."

The treasure hunt is free to every child, anyone who wants to take part should just turn up at the store.

Ottery's late night shopping takes place on Friday, November 27th.

Charity faces fall in dog walking helpers

BY ANDERS LARSSON
anders@tindlenews.co.uk

A NATIONAL charity is facing a shortage of volunteer dog walkers in and around Axminster.

The Cinnamon Trust caters for elderly and terminally-ill people and their pets.

Administrator Sherry Carne explained: "The Cinnamon Trust is in great need of help from anyone who would be willing to do a little dog walking for elderly owners who live

in the EX13 Axminster postal area.

"There are elderly people in this area who have dogs and are unable to walk them.

"We seek to keep owner and pet together for as long as possible with the help of a national network of volunteers who assist when any aspect of day to day care poses a problem.

"Without someone to walk the dog, elderly people can be forced to give up a much loved pet which is often their only companion.

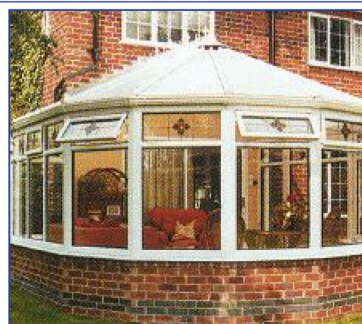

"We do not expect volunteers to go out every day with the dog we try to

match at least two to three volunteers per household so that the task can be shared."

In addition to dog walking, the trust is also looking for people to assist with short term fostering and transport to the vet when owners spend a short spell in hospital.

Potential volunteers are asked to ring 01736 757900 during office hours to register or email admin@cinnamon.org.uk for an information pack or download a form from the website at www.cinnamon.org.uk/donations.

Closure is distressing

EDITOR — The closure of the Bungalow in Honiton which gives medical help to people with dementia and those who suffer from Alzheimer's disease has caused patients and their carers considerable worry and inconvenience and the "knock on" effect of the closure is giving equal distress to doctors, nurses and other national health staff.

Our local GPs are very worried — for patients with a mental illness taking up beds in Ottery and Honiton Community Hospitals is just not right. Nurses at these hospitals should not be expected to work with patients who because of their medical condition can have very aggressive behaviour. You report that the Bungalow will reopen in the Spring and I have been informed by Ian Tulley, the Chief Executive Officer of the Devon Partnership Trust at a meeting that I and Dr. David Rampersad, Heather Penwarden and Vernon Whitlock had with him on 3rd November, 2009 that the Bungalow will be for patients with "acute" conditions. Of course we want it re-opened but we want a great deal more information not simply being told that it is for acute patients. Who is going to staff the unit, how many patients will it take, will it have day care facilities, and what about respite care so needed to help carers? And even now we need to know about consultation with the community. Honiton Town Council has invited Mr Tulley to meet with councillors and every one in the community who have an interest in the facilities for mentally ill people. I do hope that you will give maximum publicity to this meeting as soon as the date is known.

Ancient drains are woefully inadequate, prone to damage

EDITOR — The area of Musbury Road, in between Complete Meats and Foxhill, known as Purzebrook, flooded again during the evening of Friday, November 13th.

This area is where the storm drains from Hillhead Terrace to the South, Foxhill and the surrounding fields to the east and the market and South Street to the north, all meet.

The ancient drains in this area are woefully inadequate and prone to blockages and damage.

It is the Highways Department's responsibility to maintain these drains and have been aware of the issues affecting the area for at least 11 years. Recent pavement work, whilst adding new grates has only exacerbated the problem because the

supporting underground infrastructure was not renewed.

The recent new builds in the market area tapped into this system and during torrential rain, the new grates merely allow the storm water out of the system (with impressive results) rather than alleviating the issue.

The last two incidents in the area have been caused by tree trunks entering the culvert at Foxhill and Lea Combe and becoming lodged where the culvert goes under Musbury Road.

The superb efforts of the fire brigade saw the removal of three tree trunks from the main drain and clearing of the resulting flood.

The Highways Department attended the incident but were incapable of

resolving the problem.

Highways officers then returned the following day, cleared some minor debris, removed the tree trunks from the road side, and confirmed several of the smaller drains were still blocked.

When asked what was going to be done they confirmed the area would need to be dug up but funding and timescales would mean it wouldn't be soon.

This was not very reassuring with more storms forecasted.

I find it incredible that the plans to build yet more housing in this beleaguered area is actually being given consideration.

So the next time you are in bed and you hear the wind and torrential rain

outside and you snuggle down, spare a thought for the people of Purzebrook who will be out, doubtlessly with the fire brigade trying to resolve the consequences of the ineptitude and complacency shown by the Highways Department, trying in vain to protect their homes from the flood water that is running down your drainpipes and into our homes.

Clarification of Cllr Jones

EDITOR — Jones is a common name, and there is more than one Councillor Jones associated with Seaton.

It is unfortunate therefore that Wendy Mclean in the headline letter of Your Views and Letters, page 11 of *Pulman's View* (November 17th) was not more specific in her criticism.

Can you make it clear to your readers that I was not the subject of the letter and that I remain resolute in my opposition to EDDC's wanton despoiling of Seaton?

Birds in the wake of gales

THE strong westerly gales which have recently assaulted us have, as expected, brought in their wake a variety of birds, including two whooper swans, immature spoonbills, eiders and a little gull, while wigeon now number well over 400 on the Axe estuary.

Other notable visitors have been several black redstarts in the Seaton area and a firecrest which has been twice trapped for ringing. If you'd like further information on the bird scene then the 2008 Axe Estuary and Seaton Bay Bird Report is now available. It features an account of all the birds seen last year, a review of the year, maps and nature reserve news. The report is available from Archway Books in Axminster or the Axminster and Seaton Tourist Information centre at £8.00. It can also be obtained by post from EDDC Countryside Service, Knowle, Sidmouth EX10 8HL at £8.00 plus £1.00 postage.

I hear that Devon Wildlife Trust is seeking volunteers in the Blackdown Hills AONB to help with practical conservation work on three of its reserves. Assistance is needed at Lickham Common, Ashculm Turbary and The Rough. Currently there are very few volunteers for conservation work in the Blackdown Hills and the call for help follows the arrival of two Exmoor ponies on Lickham Common. The ponies have settled in well, but manpower is needed to clear some of the trees and scrub that are encroaching on the open areas. So, if you feel you can help, call DWT on 01392 279244.

After lying hidden for years, a dewpond has been found at Langton Matravers near Swanage as a result of the Purbeck Ponds Project. The ancient dewpond was discovered buried under a thicket of bushes in a corner of a field and it took volunteers two days to uncover not only the stone-lined pond complete with natural spring, but also live ammunition which was removed by the police! Recent rains have now filled the pond and restored it to life. The Purbeck ponds are renowned for their wildlife, especially the rare great crested newt, and they are also host to nearly all the British dragonflies. The pond survey has proved very successful and will help to safeguard one of this country's most important regions for pond biodiversity.

Meanwhile, with Christmas fast approaching with its inevitable present problems, Dorset Wildlife Trust suggests simple solution ... adopt a dormouse and/or red squirrel as an attractive gift that really helps conservation. There are around 200 red squirrels still thriving on Brownsea Island and dormice are gradually recovering, especially here in the West Country, but help is still needed to ensure a future for these animals.

For £15 a year you can help protect a dormouse or red squirrel and will receive an adoption certificate, fact sheets, and photograph of the animal, as well as a Beatrix Potter Squirrel Nutkin book if you adopt a red squirrel. The red squirrel scheme is sponsored by John Lewis Partnership and the dormouse scheme by JP Morgan, a corporate member of the DWT. So, if you'd like to learn more about the adoption scheme call Elaine King on 01305 264620.

I hate to blow my own trumpet, but next Friday, November 27th, I'll be at Gittisham Village Hall for an informal evening's talk. I'm not quite sure yet what I'll be burling about but some aspects may surprise the audience! The evening starts at 7.30pm and should finish around nine. Tea and coffee will be served and a log fire lit. Do come along as I'd like to meet my readers.

I hear from Ian Waite that there will be a talk on December 3rd at Kilminster Village Hall on falconry at 7.30pm. The title is What is Falconry and What Do Falconers Do? It is a presentation by Yarak Birds of Prey, organised by Devon Wildlife Trust and Axe Vale Conservation Society.

Centenary funds raised by biscuit

GIRL Guides in Ottery St Mary have joined forces with over 5,000 members of Girlguiding south west to help raise funds in the charity's centenary year.

The group will be selling specially created biscuits from Cornish biscuit company Furniss of Cornwall at the Ottery community market on Saturday, December 12th.

During the October market the group sold 34 boxes of biscuits raising a total of £85.

The biscuits are sold at £2.50 per pack and profits are split between the individual units and Girlguiding south west. The Ottery unit is supporting Ottery in Bloom, which is taking the Girlguiding centenary as its theme in 2010, as well as helping one of its members with the costs of an international trip to Italy as part of the centenary celebrations.

The Girlguiding centenary runs from September 2009 until October

2010 and marks 100 years since the formation of the Girl Guides.

Eve Townson, one of Ottery's Guide leaders, said: "Girlguiding is about giving today's girls relevant opportunities and experiences, and we want to ensure that cost is never a bar to participating fully in what Girlguiding has to offer."

"We are delighted to be working with Furniss on this unique project that enables local units like Ottery to raise money, allows the girls themselves to decide how to spend it and helps every member join in celebrating our centenary."

Jane Flowerdew, marketing director at Furniss Biscuits, added: "When we were approached about this special project we thought it was a great idea. We had heard of Girl Scouts in America running a similar initiative, but as far as we know it has never been done before in the UK. We hope they will raise a huge amount of money for the centenary celebrations."

CHEF MENTORS SCOUT FOODIES

BY BEN MIDDLETON

MEMBERS of Beer Scouts took over the kitchens in Steamers Restaurant, New Cut, Beer, recently and cooked a three-course meal for family and friends.

The scouts made bread, soup and chocolate brandy mousse all from scratch. They also learnt cutting and chopping skills, plating up and waiting skills.

Owner and head chef of the venue, Andy Williams, said: "They all worked amazingly hard in the kitchen, they produced some really good food

and I was really proud of them."

Scout leader Nigel Groves added: "The scouts really learnt a lot from Andy and we were all proud of the fabulous meal they produced. We can't thank Steamers enough for mentoring the young people."

"Who knows we may have a new Jamie or Nigella on our hands."

A ball to be debut event

THE organisers of next year's Honiton Summer Fun Festival have announced their first fundraising event.

A winter ball will take place on Saturday, December 12th, at the Turks Head Lodge (also known as the Honiton Motel).

The event will run from 7.30pm until midnight and all funds raised will go towards next summer's show.

Tickets are available from Honiton Tourist Information Centre and cost £10 in advance or £12 on the door. Anyone who would like to attend must be over 18-years-old.

For more information log onto Facebook and search for Honiton Summer Fun Festival.

Bazaar gets Santa visit

A CHRISTMAS Bazaar will be held in Axmouth Village Hall on Saturday, November 28th, from 6pm.

Stalls will be selling a variety of items and refreshments including mince pies and mulled cider will be on offer.

A raffle will also be taking place along with a visit from Father Christmas himself and the Axmouth Christmas tree lights are set to be switched on at 6.30pm.

Church fayre

AXMINSTER United Reformed Church's Christmas fayre takes place on Thursday, November 26th from 9.30am-12noon.

The church is located in Chard Street and, apart from numerous stalls, light lunches will also be available.

Central heating at an affordable price!
ALL THIS for just £1198.00 (+ Vat)*

ITS TRUE! For a limited period only, PW SERVICES Colyton are supplying all this at a competitive low price, a complete heating system capable of heating a three bedroom house.

The Baxi Duo-tec 24kw condensing combination boiler, voted 'Which' boiler of the year, comes with a two year parts and labour warranty, standard flue kit, pipe work, six radiators and energy efficient controls. If your heating system and boiler are delivering large fuel bills this is your chance to do something about it and upgrade your system for a fraction of the normal cost. So if you've been wondering how much it would cost to purchase a complete heating system, now you know - ring us now for a **FREE NO OBLIGATION QUOTATION**.

By installing a new high efficiency-condensing boiler in your home, you could cut your fuel bills by over 30%. That's because high efficiency boilers are designed to use less gas to produce the same amount of heat. There are also many more ways to shrink your fuel bills down to size, such as fitting smart energy efficient controls like programmable room thermostats and thermostatic radiator valves.

Whatever type of old heating system you have, we can also supply similar packages on oil and Propane boilers. We can supply and install either for a fraction of the price of our competitors.

PW Services of Colyton also supply and install a full range of quality manufacturers sanitaryware and bathroom furniture. We are currently supplying all our sanitaryware at 30% off retail prices, so if you have recently had a quotation for a new bathroom or en-suite why not compare it to our prices.

SOLAR ENERGY

If you're the type of person who wants to look after the environment and your money at the same time why not consider solar energy. We have been installing solar panels to heat hot water in a number of properties of varying sizes in the East Devon area, there are grants available and all labour and materials are charged at 5% vat. And if you have your solar installed by a local company, and not by someone who posts a leaflet through your door, you are guaranteed an efficient after sales service and not the delays or 'no show' of the leaflet droppers.

So for a **NO OBLIGATION QUOTATION** call our number below and we will be happy to arrange a site visit to discuss your requirements. Rest assured we will endeavour to design and supply your heating system or bathroom at a price you will not believe possible.

Estate agency offers career apprenticeship to youngster

BY BEN MIDDLETON
ben@tindlenews.co.uk

YOUNGSTERS from Seaton and the surrounding area are being encouraged to consider an apprenticeship with an estate agents based in the town.

John Wood and Co are offering the apprenticeship to someone between the ages of 16 and 18.

Anita Al-Zamily, employer liaison officer at the business enterprise centre, said: "If you are a confident people person, focused on providing excellent customer service, have good computer skills and want to continue training but don't want to pursue an academic course, this is a fantastic opportunity for you to work with a highly professional and well established organisation."

"You'll be working with fully qualified industry experts who will support you in your career goals and provide you with invaluable hands-on experience in the workplace — and you'll gain a nationally recognised qualification whilst earning a salary."

Brian Wapshott, business manager at John Wood and Co, said: "If you are sociable, a good communication and have a keen interest in estate agency then this apprenticeship could be just what you're looking for."

The position is full time, Monday to Fridays, from 9am until 5.30pm. The successful candidate will start on a salary of £125 per week and will work in the Sale of Residential Property division.

Training will be completed in-house and a personal assessor will visit to review progress.

Louis Ricketts, 17, recently started his apprenticeship with the agency.

He said: "Studying this apprenticeship has given me a clearer direction in my career so I know where I'm heading and I can see where I could be in a few years — I've learnt so much about the industry in just three months."

For more information contact 01934 411594 or e-mail business.enterprise.centre@weston.ac.uk.

'Drake' beer festival held

TWO weeks after its reopening the Yarcombe Inn, Yarcombe, celebrated by holding a beer festival on Saturday, November 21st.

The event has been nicknamed Drake Fest, in honour of Sir Francis Drake who is said to have been a regular visitor to the pub.

A wide range of beers and ciders from Devon and Somerset were available from noon until midnight and live entertainment was also on offer.

Joy Davenport, chairman of the community Inn, said: "It's just so appropriate to celebrate our reopening by doing what we do best — our community serving local beer and local food. We have served Sunday lunches, curries, soups and lots more in the short time since we have been open and I am proud of our record so this really showed that we can work well under pressure."

Employers' new badge

A SCHEME has been launched by the National Apprenticeship Service (NAS) to recognise firms in Devon that employ apprentices.

John Chudley, South West Director of the NAS, said: "I am pleased to announce the launch of the Apprenticeship Badge for employers and businesses in Devon."

The badge, which can be used by all employers who take on apprentices, can be displayed on company websites or stationery to highlight their support for young people. More details are available at www.apprenticeships.org.uk.

The latest Technology in footcare 3D optical laser foot scanner

NOW OPEN IN NEW PREMISES IN LYME ROAD, AXMINSTER

An Axminster based clinic's 3D Optical Laser Foot scanner and Computer Diagnostic System, some of the most advanced in the world, form part of an innovative service to alleviate foot pain.

Feet can cause us real pain and we may not even know it!

We only have one pair of feet and they take us everywhere so it pays to take good care of them, but most of us don't give our feet a second thought that is until they hurt!

Once our feet are hurting most of us have no idea how to eliminate the pain. Untreated this can lead to long term problems, many problems associated with the foot are the result of a faulty relationship between the bones and the muscles of the foot. Misalignment can result in a number of problems, commonly flat feet, persistent ankle sprains, bunions, corns, calluses, even symptoms that one would not normally associate with feet such as stress and pain in the back, neck, hips and knees.

AT HEALTHY FEET CHIROPODY AND PODIATRY WE PRESCRIBE AND ISSUE THE VERY BEST FOOT ORTHOTICS USING THE MOST TECHNICALLY ADVANCED EQUIPMENT AVAILABLE ANYWHERE IN THE WORLD TODAY. OUR 3D OPTICAL LASER FOOT SCANNER AND COMPUTER DIAGNOSTIC SYSTEM IS JUST ONE INNOVATIVE METHOD WE USE AGAINST FOOT PAIN IN OUR AXMINSTER BASED FOOT CLINIC.

SO WHAT ARE ORTHOTICS?

Orthotics, are special footwear inserts that are individually designed and manufactured to ease your pain and discomfort. They promote the proper alignment of the feet, restore balance, improve sports performance and alleviate pain in the knee, hip and lower back.

HOW DO ORTHOTICS WORK?

As your foot sits comfortably on our orthotic it is gently and consistently directed into the optimum position allowing the foot to function correctly when walking, running and standing.

AT HEALTHY FEET CHIROPODY AND PODIATRY OUR PRESCRIPTION ORTHOTICS ARE MADE TO THE HIGHEST STANDARDS AVAILABLE USING MODERN TECHNOLOGY, ARE COMPLETELY ACCURATE AND PROVIDE THE VERY BEST CORRECTIVE TREATMENT AVAILABLE. Our 3D Optical Laser Foot Scanner replaces the need for traditional plaster casting and drawing around the foot, methods still in use today which are messy, inaccurate, costly and utilizing materials of limited life, requiring frequent replacement. We successfully treat many foot conditions but one common foot condition we see a lot of at our Axminster based clinic is PLANTAR FASCIITIS. When your first few steps out of bed in the morning cause severe pain in the heel of your foot, you may have plantar fasciitis (fash-ee-EYE-tiss). It's an overuse injury affecting the sole or flexor surface (plantar) of the foot. A diagnosis of plantar fasciitis means you have inflamed the tough, fibrous band of tissue (fascia) connecting your heel bone to the base of your toes. You're more likely to get the condition if you're overweight, or if you have a job that requires a lot of walking or standing on hard surfaces. You're also at risk if you walk or run for exercise, especially if you have tight calf muscles that limit how far you can flex your ankles. People with very flat feet or very high arches are also more prone to plantar fasciitis.

The condition starts gradually with mild pain at the heel bone often referred to as a stone bruise. You're more likely to feel it after (not during) exercise. The pain classically occurs again after arising from a midday lunch break.

If you don't treat plantar fasciitis, it may become a chronic condition. You may not be able to keep up your level of activity and you may also develop symptoms of foot, knee, hip and back problems because of the way plantar fasciitis changes the way you walk.

REMEMBER YOUR FEET ARE THE FOUNDATION FOR YOUR ENTIRE BODY.

If you suffer from foot pain and/or would like to discuss an assessment please call us at Healthy Feet on **01297 631043**

Art exhibited at cafe venue

JOANNA Purnell, formerly of the renowned group Textures and Beyond, has her latest exhibition at Axminster Arts Cafe starting on December 6th where decorated felt, embroideries and other items will be for sale.

Until her retirement four years ago, Joanna taught crafts at Church House, Sidmouth. She completed a majors degree and her City and Guilds at Saltash College. She also gives talks to the WI home economics groups and, until recently, taught sewing to youngsters at Exeter Embroiderers' Guild.

With many affordable prices Joanna's work will make unique and original Christmas presents.

Two receive work awards

TWO men have received awards for their community work in Axminster.

Daniel Murmane and Robert Wilson were presented with £100 cheques by the president of the Rotary Club of Axminster, Michael Garratt.

Daniel, who voluntarily coaches cricket to junior members and ladies at Cloakham Lawn Sports Centre, received the Bill Knapman award along with £100 for Devon Air Ambulance Trust.

Robert took the Les Knight Award for his work in the community. He received £100 for the Charabanc Group.

Mr Garratt congratulated both men on their achievements and expressed hope that they would keep up their good work.

Busy time for Lions as sleigh is prepared

THIS is always a busy time for Axminster and District Lions Club — Santa is preparing (and his sleigh is being prepared) for all his trips.

The programme begins on Friday, December 4th with the first of many float visits.

These are always very popular and the club does try to let people know in advance of the route plans.

However, the weather and other unforeseen circumstances can interfere and if and when they do the club apologises in advance. Schedules are best kept handy because there are other opportunities for disappointed children such as Trinity Square on

Friday, December 11th and Saturday, December 12th, and at Tesco on Saturday, December 19th.

The other great chance to catch a glimpse will be on December 5th when Santa will be attending St. Mary's School Bazaar.

He will be travelling from the school through town to arrive at the Guildhall at around 10.30am.

This year has been a very special one for Axminster and District Lions Club as it has celebrated its ruby anniversary and the town council did the club proud with the beautiful floral tribute opposite the Guildhall.

Lions would, in turn, like to say an enormous thank you to the generous

citizens of Axminster by offering free refreshments in the Church Rooms on Saturday, December 12th.

As always all the money will go where it is greatly needed. Collections this year are for the Axminster Care Service, Charabanc group, Children's Hospice South West and other local good causes.

Axminster Lions members would like to extend to everyone their appreciation for the tremendous support throughout the year particularly through this difficult period of recession.

The public's generosity has enabled the group to help many worthy causes.

Intriguing story of Colyton

THIS month, due to illness, Phoenix Ladies' Group chair was taken over by Julia Walters.

She introduced the speaker, Colin Pady — a Colyton historian and farmer. He proceeded to give the club a most interesting talk on his birthplace.

Colyton, he told us, is one of the largest parishes, over 10 square miles. The word Colyton means 'fast stream in narrow valley'. Since the Bronze Age there has been a settlement at Colyton and being situated a few miles inland, it meant that marauding Vikings could not easily plunder it.

The River Coly was most important

as back then it was not silted and boats could travel over a mile inland. The river also acted as a power source for sawmills, a papermill and even a tannery which is still intact.

The magnificent 'wedding cake' church is first mentioned in the Domesday Book from around 900 AD and by 1450, the distinctive lantern tower was added by the wealthy wool merchants of the borough. The original wooden bridge cost a mere £19 4 shillings — what a bargain!

Many very fine merchant houses exist intact but sadly when the lord of the manor, the Courtenay family,

disagreed with Henry VIII's doctrine, all the valuable estates were confiscated and he was beheaded. Later, the local merchants stepped in and were able to buy back the land on condition they acted as Feoffees which legally obliged them to plough back any profits into the district. What an intriguing story.

The club Christmas meal will be held at Sidmouth on December 14th. Meet at the town square at 11.15am and five minutes later at Gamberlake. The party is all in hand for the next meeting on December 9th when David Balcock will give his talk entitled Gardens to Enjoy.

Sun shines down for annual village yomp

THE sun was shining and the rain kept off until the second annual running of the Yacombe Yomp was completed.

A total of 45 runners set off across the fields on the circular tour of the village, adults having to make two circuits for the 10-mile course. The ground was very wet and the grass rather long so lots of muscles were required to negotiate the tracks.

Facilities to wash off the mud were available outside Jubilee Hall and steaming pans of homemade hot soup, bread rolls and cakes replenished the participants.

Local hero Bradley King was first home for the younger entrants (who ran one circuit). Other runners made their way back in very good order, having been directed by marshals and stopping for water at the marked refreshment points.

Medals were presented by David Mayrick who, together with other landowners, allowed the runners to use their fields.

Members of the Jubilee Hall committee, supervised by Barbara Salter, had provided soup and cakes and the organisers gratefully thanked Millstone Bakery at Ottery St Mary for donating the crusty rolls. It is hoped that next year word will have spread and the numbers of entrants will increase.

● Members of the Royal British Legion under the direction of Michael Ford had organised the Remembrance Service at Yacombe Parish Church on Sunday, November 8th.

Reverend Anne Mills led the service, assisted by Tony Izzard, and Chard Town Band made a welcome return to lead the music.

Organist Ken Hayward played the introductory music.

Nicholas Wade read the rolls of honour, Michael Ford read the exhortation and he and Lesley Pidgeon the lessons. The congregation congratulated the bugler who played the last post, and will hold Nicholas Wade in their prayers as he takes on a turn of duty in Afghanistan later this month.

● A village meeting to discuss and inform all on the progress being made by the steering committee and its helpers at the Yacombe Inn was held on Wednesday evening. Chairman Joy Davenport thanked all who had done so much in such a short time to get everything up and running.

Steve Rippon reiterated this statement, but both were concerned that unless more people offered their services the team will be exhausted.

Now that the bar is open it is essential to get menus underway and a catering team is necessary, wet sales will not be sufficient and good plain food at reasonable prices is needed to keep the place open. Luckily there is a wealth of help and experience available so those who are not so used to catering can receive expert advice.

Margaret Little is organising a cleaning team working on a rota basis. Volunteers are needed to help at the weekends.

Jon Stockwell has offered to set up a business plan and will study options. The committee has been told that there are grants available from the Blackdown Hills Rural Partnership and George Pidgeon offered to find out whether the inn would be able to apply for any of these.

LUNCH on offer! St Gregory's Church, Seaton, had another lovely morning last Saturday at FREEDOM Café offering free coffee, cakes and light lunches to anyone living in, working in or visiting Seaton.

This is the third time the church has held this event and its reputation for providing good homemade food for free with no strings attached, is growing far and wide. The café is open every third Saturday of the month, with the next one being held on Saturday, December 19th from 10.30am-1.30pm. On Christmas Day there will be a special café from 2.30-5.30pm (afternoon tea), especially for anyone living on their own. Do contact the church office (01297 23656) if you need transport.

Other events coming up at St Gregory's are Wednesday, November 25th, 7.30pm, 'It's church, Jim, but not as we know it' — relaxed worship in the church hall, for anyone who struggles with church on a Sunday. Wednesday, December 2nd the church is open from 2.30pm with the hand bell ringers entertaining until 3.30pm when a thanksgiving service for care in the community will take place. This very special service is particularly for anyone living in residential care, or being cared for at home. It's an opportunity to come to church with those who care for them, and say thank you. St Gregory's has all disabled facilities, and many willing volunteers to give a helping hand. After the short service, there will be refreshments in the hall with a sing-song. There will also be a special visitor this year, with thanks to Seaton Lions.

On December 5th at 10am there will be a Christmas coffee morning in the

church hall and December 6th, in church at 4pm, will be the children's Christingle service. St Michael's, Beer, holds its Christingle service at 4pm on December 13th. Contact 01297 23656 to find out more about St Gregory's Church.

This column has periodically included news of links of Devon churches with Christians overseas. St Andrew's Church, Colyton, has heard from St Andrew's Church Colyton New Zealand — its counterpart. Christine Sansom, one of the churchwardens at Colyton, has been the recipient of greetings and a colourful calendar for 2010 from David Casey. The New Zealand calendar includes many colour pictures of the church and local properties and was put together as a fundraiser for the local hospice. Admission was charged to visit the houses shown and have a snack lunch.

More good news from overseas — readers will recall the recent reports of bomb blast damage to the clinic at St George's Church, Baghdad, and the appeal for funds to help repair the damage.

Such help has been coming in daily from churches all over Devon and has been passed on so that repair work could start. Now we have word, and a photo to prove it, that the clinic has been repaired and is open again.

Looking ahead, all the parish churches in the Colyton benefice will be holding Christingle services starting with Musbury and Southleigh on December 6th, Colyton on December 13th and Branscombe on December 16th — the first three being at 4pm and the last at 6.30pm. At these services Christingles will be presented, and all are invited to bring gifts of toys and games for the

children of the hospice at Fremington in north Devon.

The winter Bible Studies continues in Colyton benefice and the Colyton parish meeting being on December 9th at 7.30pm.

The Uplyme Mothers' Union reports that it held its deanery meeting at Seaton on November 2nd and its advent service this year is being held at Budleigh Salterton on December 1st at 11.30am followed by a bring-and-share lunch.

Colyton Parochial Church Council recently held its last meeting for 2009, which was also the last meeting for its rector before he moves in the new year to the Benefice of West Exe at Exeter city. At the council Katherine Lyddon, the Exeter Diocese Children's Work Adviser, offered help as to how to introduce young and very young people to what the churches have to offer their age groups. The council also supported, in principle, changing the name — but could not agree on a title! Suggestions to the editor on 01297 552514.

Seasonally-related events are occurring thick and fast, and the Minster Church at Axminster is the venue for Axminster and District Friends of Hospiscare to hold its annual Service of Light and Thanksgiving on November 26th at 7pm. A Book of Remembrance will be displayed and those wishing to have a loved one's name recorded should contact Hospiscare on 01392 688020.

Musbury church is holding a Christmas tree festival — Around the World in Twenty Trees — on December 12th-13th from 10.30am-4.30pm each day with produce, gift stall and refreshments.

50 years celebrated of festive card sales

BY ANDERS LARSSON
anders@tindlenews.co.uk

FIFTY years of Christmas cards sales were celebrated with a coffee morning for past and present volunteers in Axminster's Minster church.

It is 50 years ago since a number of

charities joined forces to set up what today is known as Cards for Good Causes.

The national charity organisation has had a presence in Axminster's town centre for 19 years and is this year made up of 30-plus individual charities.

The 50th anniversary attracted a big crowd in Axminster, including town

mayor Ron Jones who oversaw the cutting of the cake.

Cards for Good Causes' Axminster shop operates in the church until Saturday, December 6th.

Opening hours are Mondays, Wednesday, Thursdays and Saturdays from 9.30am-4pm.

On Tuesdays and Fridays, the hours are 10.30am-4pm.

Kitty reads her way to certificate

A SEATON girl has read 100 books and earned herself a Booktrack certificate and gold badge in the process.

Kitty McLoughlin obviously likes to read and participates in Devon County Council's Library Service's Booktrack scheme.

The six-year-old was recently presented with her certificate and badge by staff at Seaton Library.

The Booktrack scheme is open for children aged six and over.

Badges are awarded at regular intervals along the 'track', culminating in the award of a gold badge and a certificate when the goal of 100 books has been reached.

More information is available from county council libraries.

CHARD TOWN COUNCIL November 2009

Newsletter

Town Clerk Writes ...

The Council administration has now moved into the Guildhall indeed a resident from a Devon market town, not too far from Chard, remarked that Chard was very lucky to have such a wonderful civic building and how they wished their town had been so lucky with such an outstanding example of architecture as Chard's Guildhall. Positive comments, unfortunately, hardly ever get reported so I think it is important to use this space to relay them to you.

Once again, the stunning displays of flowers throughout the town impressed the judges in the South West in Bloom competition and earned us a Silver Gilt award. This result was only achieved by the dedicated hard work of the Council's Amenities team supported by the loyal group of volunteers from Chard in Bloom. Well done everyone. At this time of year the Council's attention turns towards setting the Budget for the year starting 1st April 2010. Actually, the process starts in June but at this time each Committee is looking at the spending needs and revenue earning possibilities of every aspect of the Council's operation. The current economic situation does not help and there is a natural desire to suppress spending right across the board, but try as we may, some costs inevitably rise.

We all know how energy costs have risen in the last year in common with all the utilities. Our challenge is to make savings in other areas, without affecting the quality of the service provided and to cushion the increases in those areas we have no control over. I would like to remind everyone that the Precept, the amount our expenditure exceeds our income, is collected through the Domestic Council Tax. The Town Council gets nothing at all from the Business Rates which go straight to Central Government.

John Furze MILCM, Town Clerk

The TIC has lots to offer

Chard Tourist Information centre – so much to offer bang smack in the centre of Chard. The Tourist Information Centre in Chard just goes from strength to strength with one part-time member of staff assisted by seventeen volunteers. More volunteers are always very welcome to join us.

The Centre offers a comprehensive service every day from 10 am to 4 pm Monday to Fridays, and every Saturday from 10 am until 1 pm. A large selection of maps and books, including local history books may be purchased, with an average cost of £3.00, or less. We also stock various books of interest, which cover Chard and the rest of Somerset. You can also buy a good selection of local postcards from the Centre including a wide range of assorted souvenirs, including mugs, bookmarks, playing cards, note books, pens and much more.

This year discount vouchers have been available for Fleet Air Arm Museum and for both Brean and Crealy Leisure Parks. Hopefully we will continue to be able to offer this valuable service again next year. You can also purchase discount tickets for West Somerset Railways, which gives the added advantage of there being no need to queue for tickets on your selected day of travel.

Chard Tourist Information Centre are also ticket agents for The Brewhouse Theatre, Princess Theatre Torquay and The Pavilion/Winter Gardens Western-Super-Mare and also for Berry's Coaches, for their Day Tours, Superfast (London) and their holidays. In addition to the full service the Centre offers we can organise accommodation for our visitors, through the 'Book a Bed Ahead' scheme, and we have just started to sell the Western Gazette newspaper. We also hold various free papers including 'View from Chard', 'Marshwood Vale' and 'Suited and Booted'. Please continue to use YOUR local Tourism Information Centre.

Household Waste Recycling Centre Update

Works to complete Somerset Waste Partnership's new Household Waste Recycling Centre in Beeching Close are in the final stages. Mains water supply and electricity connections are being made and tested, while contractor Dyer & Butler withdraws the last pieces of construction equipment.

The new site is a major improvement for Chard's recyclers, with canopies offering protection from bad weather and a one-way traffic route, giving better access to the containers and cutting down queues. The site also has more space for more materials. An actual opening date has not yet been set. The site has to have a licence permit from the Environment Agency before it is allowed to receive waste.

"We knew there was a long lead-in time for an Environmental Permit to be approved but due to a combination of circumstances outside of our control we were not able to submit our application until well into the build process. With such a complex site it was never going to be an entirely straightforward project. The important thing is that massive progress has been made and we're all working together to create what will be a first class facility for Chard," noted Somerset Waste Partnership's Project Engineer Rob Kidson. As well as the recycling centre, the scheme has also provided some serviced plots for light industrial units. These are already attracting several enquiries from prospective buyers which augers well for the future.

Approximately half of the original sewage works site has been restored for use as public open space. Landscaping plans are being finalised for tree and shrub planting during this season. The open space features an off-road cycleway that will link Henson Park, Beeching Close and Touches Lane. Somerset Waste Partnership is in discussions with Persimmon Homes and the Highway Authority to help complete the route across land owned by Chard Town Council at Henson Park. To comment on what you would like to feature in the green space complete the questionnaire on www.somersetwaste.gov.uk.

Councillor's Surgeries

All surgeries will be in the Guildhall Foyer 10am - 11am
Saturday 5 December Cllr Dave Bulmer, Cllr Julian Dorset, Cllr Mrs Jenny Kenton
Saturday 9 January Cllr Audrey Spencer, Cllr Stephen Dowell, Cllr Garry Shortland

The Mayor Writes ...

The Guildhall is now open all week which allows people to make enquiries directly to our offices and I look forward to the opening of the New Guildhall Cafe where people can drop in for a coffee or tea or even for Lunch. I realize that there are some who don't like the changes however now the residents of Chard have their Guildhall open and their Town Council based and easily accessible. The public can attend Council meetings and have their say at public question time, at the beginning every Meeting, so please do come along. All meeting agendas are published on the notice board in Howards Row or details are available on our website on www.chard.gov.uk.

The new Poster Rotunda is now open in Fore Street; you can't miss it on the wide area just below the sculpture of Stringfellow's Plane. This has made it easier to see what is going on in the Town and businesses are also able to advertise here for a small fee. Please contact Shayna Knight in the TIC on 260-053 for more details.

The Rotunda, and the new benches and litter bins, have all been replaced as part of the Market Town Rural Regeneration Programme funded by Somerset County Council last year. These improvements fit in the Chard Regeneration plans and go towards making Chard a better place to be.

The flower baskets looked stunning this year and many residents took the trouble to write in and congratulate the team for all their work. In addition we had the Chard in Bloom Committee working with Community Groups and Schools to deliver another Silver Gilt Award for Chard. However it is difficult to impress the judges of the South West in Bloom Competition and the Council believes it is best to spend a year out of the Competition to explore further what the competition means to Chard. Would we be better off just making Chard beautiful for residents and not for Judges? Do you have a view on how to judge the decorative efforts in Chard? If so do let us know.

Finally I just want to express my thanks to all those who have contributed to the mayors appeal fund so far. The total stands at £421.00 and if we are to ensure that the Cancer Charities each get a good amount we need to do more.

The next opportunity will be at the Christmas Dance, in the Guildhall on December 11th, which includes a buffet with dessert and disco and Charity Auction. We have some really good prizes already but if you have a donation to the Auction please drop it into the Guildhall for my attention. Tickets are available in the TIC or at the Guildhall Reception and cost £12 each or if you book a table of twelve they are only £10 each. Great for a work Christmas party!! In the spring I hope to hold a Dance on May 1st. If there is anyone reading who would help me with the organization of a May Day Dance please get in touch.

Jill Shortland, Mayor of Chard

A View From the Ward - Avishayes

Unlike the last few Councillors who have given a report on being a Councillor for Chard, they have been relatively new while I have been a Councillor for 13 years and have seen great changes in the town which have not always been up to our expectations and hopes.

Firstly the Guildhall which belongs to the town has been the focus of much attention and acrimony which saddens me as I love Chard and like to boast to other towns about the treasure in our midst which is everything we had hoped for. I thought that being a Councillor meant being a voice for the people and believe me I try but steadily that voice is being silenced by so much red tape and fear of reprisals that I feel I am letting down the people of Chard and you all deserve so much more.

When I first became a Councillor I had a Bill put to the Commons by Paddy Ash-down on hedgerows being uprooted and it got passed. I had yellow lines painted around Springmead Surgery and campaigned against an out of town Supermarket which was successful.

We had a Council when I first started which was very robust in its debates and agreed and disagreed in equal measure but over the last five years debates have been silenced, if you have an immediate problem and wish to speak about it, you cannot as it should have gone on the agenda nine days before the Committee meeting which beggars the problem.

When the next election for Town Councillors occurs in May 2011 I would like to see more mature retired people who have the wellbeing of Chard at heart put their names forward and give Chard back its top town status!

Councillor Audrey Spencer

THE GREAT CHOCOLATE SNOWMAN HUNT

ESCOT'S Chocolate Snowman Hunt has become a great new feature of an East Devon family Christmas. Hundreds of hunters of all ages have searched through the winter woodland looking for traces of his snowy white footprints. Clues (that children find easy, adults less so) lead the hunters deep into the parkland where the snowmen have their frosty lairs. Is it the thrill of the chase or the promise of a CHOCOLATE PRIZE that drives them on? Who knows?

It's clearly been an enormous success with all generations and looks certain to be a regular Christmas feature at Escot from now on.

The Snowman Hunt is available daily from 10 a.m. to 4 p.m. from 1st December until the end of December. A small charge is made and profits go to the Tale Valley Trust, the local community charity. Chocolate Snowmen in East Devon: whatever next? Just watch this space! For more details, please contact Escot on 01404 822188 or see our website at www.escot-devon.co.uk

Amity Hair Gallery

Elaine, Sharon, Sarah and Stephanie would like to wish all of their customers a Merry Christmas and a Happy New Year. They would like to take this opportunity to thank customers for their continued loyalty to the salon.

Elaine and Scott have owned Amity Hair Gallery for 20 years now, and have built an outstanding reputation throughout. They refurbished the salon last year, bringing it more up to date, which has proved very successful and has enabled them to employ another stylist.

Amity Hair offer a full range of hairdressing and excellent skills with around 50 years experience between the stylists. They use top quality products TiGi and Keune.

Sharon has been working at Amity Hair for five years and takes great pride and care in all of her hairdressing.

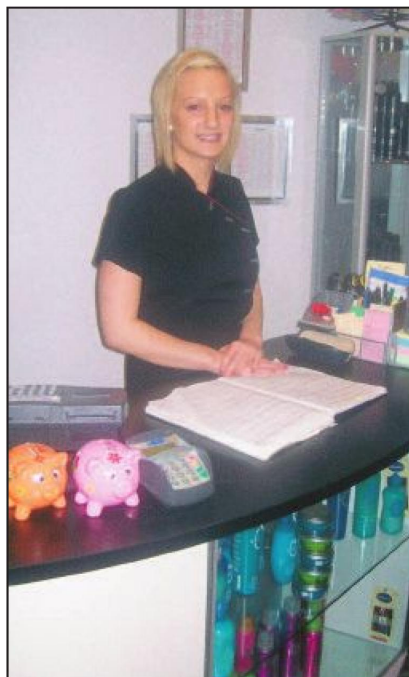

Sarah, having worked locally in Honiton and gaining experience on a cruise ship, joined the team almost a year ago.

Both stylists are very competent in all aspects of hairdressing and a real asset to the salon.

Elaine and the rest of the team would like to wel-

come Stephanie, the newest stylist to join the salon, and hope she will enjoy working with them. Stephanie has recently qualified in all aspects of hairdressing and has an excellent knowledge of all the skills required. She would welcome clients to join her at the salon.

To make an appointment feel free to call into the salon or telephone 01404 41997.

Honiton Hearing

◆ COLIN & SAM EATON run their family business, Honiton Hearing Centre from their premises based in Honiton.

Local hearing care firm offers increased customer assurance

A LOCAL hearing care specialist has today been approved as a member of a new national scheme which assures customers of the high quality of its service. Honiton Hearing Centre has signed up to the Customer Care Scheme being run by the British Society of Hearing Aid Audiologists.

"Companies have to offer high levels of customer service and care before they are admitted to the scheme, and we are extremely proud to have been accepted," said Colin Eaton of Honiton Hearing Centre.

"Customers can be sure the quality of the professional care they receive from a hearing aid audiologist because they have to pass tough examinations and practical assessments, and register before they are licensed to dispense hearing aids. They have to take part a programme of continuing learning to keep their professional skills up to date.

"Being a member of the Customer Care Scheme is further proof that we are serious about looking after our customers and are fully committed to assuring a high quality service and professionalism," said Colin.

The British Society of Hearing Aid Audiologists is the largest professional body representing high street hearing aid dispensers. It has more than 1,300 members; more than 80% of all those registered to practise in the United Kingdom.

As well as running the Customer Care Scheme the Society provides Hearing Aid Audiologists with continuing education and professional support and advice. It also publishes guidance on professional practice standards for hearing care and strives to increase awareness of the need for individual hearing care.

A spokesperson for BSHAA said: "If a hearing aid business is registered under the scheme they have to assure us that they have a clear, fair, speedy and transparent way of dealing with issues raised by their customers. Further if they are not able to resolve those issues, the Society will step in and can offer conciliation and arbitration if that is appropriate.

"We are confident that in the future people wanting a hearing aid will only go to an individual or Company which displays the BSHAA mark of assurance."

East Devon Cats Protection

MINKY (pictured here) is just one of the beautiful and friendly cats in our care who are waiting for safe caring homes and now that the long winter evenings are upon us, what could be better than sitting down with a lovely affectionate cat or two or three on your knees.

The East Devon Branch of Cats Protection currently has more than 100 cats and kittens in care. Of course they are loved and cared for by our fosterers but most of them live in pens in our gardens and do not get to curl up by the fire in the evening.

All the cats and kittens in the advert are friendly and affectionate, although if you like a challenge we do have a few more timid

ones who need that extra bit of reassurance.

We also have several rodent control officers

who would rather be out hunting!

If you would like to find out more about our Branch of Cats

Protection or the cats in our care please call any of the numbers on the advert.

"Colin's expertise and knowledge of hearing aids is phenomenal"

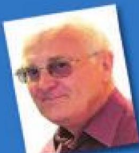

"I'd recommend Colin to anyone with hearing difficulties. So many hearing aid specialists told me there could be nothing done to help me, I was so pleased when Colin told me he could."

Mick Whittle.

"Why do I go to Colin as opposed to the NHS? Because I have found someone who is interested in me as a person, not just some number. Colin is so meticulous at getting the hearing right. I would never dream of going anywhere else."

Shelia Ruffett.

"Always receive open and first class advice, no pushy sales talk. And what you get is genuine service, pleasantness and reasonable prices with the opportunity of always contacting Colin if there is a problem."

Geoff Poad.

Duralife Windows Ltd.

Established in 1973, 36 years on Duralife Windows continues to install numerous windows, doors and conservatories in many types of properties, both modern and period. They are very proud about being one of Devon's longest established window and conservatory companies, with a reputation which has continued to stand the test of time. Their ethos has always been the supply of superb quality, careful and steady installation, attention to every little detail, extremely high installation standards and a caring after sales service at surprisingly affordable prices.

Little wonder, therefore, that the company enjoys an excellent reputation not only in the East Devon area, but also throughout Devon, Dorset and Somerset. Company directors Lance Wilkins and Nick Richards are very proud of Duralife's reputation, which has been built from a high level of personal recommendation from very satisfied customers. Please view some of their testimonial letters and see for yourself why they come so highly recommended.

Lance Wilkins and Nick Richards purchased the company in 1997 after over 10 years as employees. Lance covers the sales operation and Nick controls the surveying. Other key members of the Duralife team are Graham Parkes, who is recently new to the company, but not to the industry, and who is projects manager and head of operations, Tracey Dingle, who heads quotes and generally assists Graham, and Alison Wilkins who runs the reception and company accounts.

Duralife Windows are committed to offering a superb and varied product range backed up by their own 10 year comprehensive guarantee together with an additional insurance backed scheme. Quality pays in the long run "so buy wisely". Duralife gives customers total peace of mind knowing they're dealing with a professional and caring com-

pany, so don't buy on price, you'll only regret it.

If you would like to take things further, then Duralife would be pleased to visit you in order to carry out a survey, entirely without obligation. Telephone them or enquire on line with your requirements.

Once given the go-ahead, their expert trustworthy installation teams will complete the transformation of your home with the minimum of fuss. Obviously a successful company does have a waiting list, but will always try and fit in with your time scale whenever possible. The job will be completed with every care and consideration for your home, they will lay nice clean dustsheets and Hoover up afterwards leaving your house spotless. They feel sure that after you have experienced the Duralife touch, you will then want to talk to friends and neighbours and even register a testimonial letter on their website.

House for improvement in peaceful rural setting

SYMONDS and Sampson are offering for sale a delightful rural property near Chardstock.

The house stands in grounds of 1.47 acres laid mainly to lawn together with shrubs, trees and a small area of coppice.

The property offers three bedrooms, bathroom, sitting room, study, kitchen and cloakroom.

The house, though perfectly habitable, does have scope for a certain amount of updating.

The guide price is £400,000 and those that wish to view this desirable country retreat can do so by calling Symonds and Sampson on 01297 33122.

Large family home to rent in countryside location

AVAILABLE To let through Symonds & Sampson, Axminster, Old Park Farmhouse is situated a mile away from Axminster town, on a small working farm. This detached house is accessed via a long drive, has countryside views and offers generous living space across two floors.

Although recently rebuilt, traditional features are displayed and the house benefits from oil fired central heating and double glazing.

Downstairs, the kitchen/breakfast room and two reception rooms all have inglenook fireplaces and log burners. There is also a large single sixth bedroom/study, a shower room and a utility room.

Upstairs there are five large double bedrooms, two with ensuite shower rooms and a family bathroom. There is also a large downstairs office, which is not accessible from the house, but rather its own outside door.

Outside there is a garden to the side, which is laid to lawn and a private patio to the rear of the house. There is plenty of off road parking on hard standing, situated to the front of the property and currently there is a triple garage being built, which is due for completion by the end of January 2010.

Old Park Farmhouse welcomes well behaved children and pets and is available from January 4th 2010, at a rent of £1795 per calendar month. For further details, please contact Symonds & Sampson on 01297 32879, or visit our website at www.symondsandsampson.co.uk

★ Lyme Leisure

Lyme Leisure shall be open for any late night shoppers
on the 28th November, the same night as the turning
on of the Christmas lights, they will be having a Victor-
ian themed evening and special prices on their goods.

Lyme Leisure stocks casual and outdoor wear with a list
of big name makes filling the shelves, such as Sketchers,
Simple, Hush Puppies, Hi-Tec, Merrell, Teva, Tilley Hats,
Leki, and Buff. There is a range of Brasher boots ideal for
any keen walker who likes to trek along the Jurassic Coast
along with boot socks, Buffs – which is a hat come scarf to
keep you warm and walking sticks. A range of hats, scarf's,
gloves and slippers and shoe cleaning equipment can also
be found in amongst the rails of weird fish jumpers and
fleeces, which all make lovely Christmas presents.

Something for those who like to look after their carbon
footprint would be the footwear by Simple and Teva. These
brands make shoes, boots and slippers from recycled goods
such as hemp, tyres, inner tubes etc. The soles of these
items is what is recycled from the rubber goods, they are
well worth going in to have a look at.

New to Lyme Leisure are MBT's – the anti-shoe. MBT
stands for Masai Barefoot Technology which is an exercise
shoe to help you improve your posture, protect your knees
and joints or to tone your muscles. With every purchase
you are giving a DVD, which will help explain the shoe and
how to use them – why not pop into Lyme Leisure and
checkout the men's and ladies styles today.

★ West of England Laser Centre - Gym wont fix it!

There is nothing wrong with ageing – everyone does it! Bigger tummies, larger thighs, cellulite, softening jaw lines. This amazing new procedure can sort it all without a knife or needle in sight!

Despite dieting and exercise most of us will still have some stubborn areas of fat on our bodies that we cannot seem to remove. Well now a new procedure using radio frequency waves has been developed to improve the appearance of cellulite, reduce fat and

quency waves has been developed to improve the appearance of cellulite, reduce fat and

tighten the skin. All this can be achieved in a series of short, painfree visits which can even be planned in your lunch-break!

Only available to medical professionals, the Accent RF applies deep dermal heating to problem areas (effectively melting the fat). In bodyshaping mode the Accent RF will reduce fat and tighten skin on the abdomen, hips, thighs – in fact anywhere you may have difficulty in shaping up areas of excess fat. Although ACCENT RF

radio frequency treatment is used around the globe, there are still only a small number of clinics in the UK that can provide this procedure and the great news for all of us is that this revolutionary new treatment is now available here at the West of England Laser Centre at the Nuffield Health Taunton Hospital.

★ Primary Colours

Primary Colours, the popular children's toy and clothing shop located centrally on Lyme Regis's high street, should be visited well before Christmas to start the festive season. It seems to encapsulate the anticipation and excitement associated with Christmas for both the young and not so young.

Children will be captivated

by the bright colours of contemporary and traditional toys alike. Popular favourites such as Toy Workshop dolls houses and Aurora hobby horses sit alongside Wheelies, the great sit-and-ride toy for toddlers, and the unrivalled pushalong vehicles from Wow.

Helpfully, parents are able to browse peacefully, whilst the little ones are occupied at

the play table of Wow toys provided.

Most of the toys are educational in some way: magnetic numbers and letters, shape sorters, musical instruments, wooden map puzzles are obviously so. Also pretend play toys such as cooking sets, fairy costumes, brick construction sets, construction toys such as "Planx" and Lego brick sets are educational and fun. A delightful range of dolls - rag dolls, baby dolls and cuddly toys from key ring size to sit on ponies - is available.

Adults will find many of the stocking fillers will make them nostalgic for Christmas past: bendy bead toys, yoyos, puzzles, games, novelty pens, pencils and sharpeners, whilst children will find plenty of pocket money toys to intrigue. Sometimes grandparents, especially, feel that children will receive as many toys as they need from Santa or parents and find that

the delightful bright clothing or accessories are ideal gifts. Lovely warm fleeces from Joules or Lizzie Shirt or a special Christmas or New Year outfit often fit the bill. Warm hats, scarves and gloves are also popular. Little girls love the glittery hairbands or necklaces and bracelet sets. Boys love the Ben 10 rucksacks, woolly

hats or socks, or patterned wellies. Both love the range of cuddly pyjamas, dressing gowns and slippers available.

Of course, there are some lovely seasonal gifts such as wooden nativity sets with stable and a full set of the traditional wooden figures.

And somewhere between practicality and frivolity:

watches, torches, night lights, toothbrush holders and teeth cleaning timers.

If you are casting about for ideas for your loved ones you will undoubtedly find a visit to Primary Colours a huge help. There's so much to describe but it's best seen in reality.

★ C.H. Salter & Son Ltd

Salter's are renowned for being Citroen/French Specialists. Colin was originally employed by a Citroen garage in Exeter. He opened C H Salter & Son Ltd with his son

Terry and wife Theresa the Garage in Ottery grew with Colin's knowledge and with Terry they built up a respectable family business fixing all models over the years attracting people from all

over the country. In 1988 Terry started T.S.S Auto Diagnostic Ltd and became a BOSCH Service agent. He continued the business along C H Salter helping to solve all engine management problems and built up a extensive collection of diagnostic equipment including Auto Diagnose which is a live data system one of a few systems known to be in the South West area also he has Citroen Lexia 3/Peugeot Planet Systems which covers all the models in these ranges. He has also got systems for most Asian and Japanese cars. T.S.S Ltd became a Centre in 2007.

In 1997 Claire joined the family and took over

all the office and general duties. Colin and Theresa retired in 1998 and 2005 Terry and Claire now continues the business with their mechanic/bodywork guy Richard and new mechanic Russell.

We continue to run a professional family business with excellent customer service.

★ Dream Doors

For a beautiful new kitchen... just change the doors!

Your local Dream Doors branch in Taunton is owned and run by Andy & Shelley Stewart and is a family business. Dream Doors is a "Door Replacement" service for your kitchen or bedroom.

Dream Doors kitchen facelifts mean you can have the kitchen of your dreams without the inconvenience and mess of a new kitchen. Everything we do is made-to-measure, so if your kitchen is a little out of the ordinary, we can accommodate literally every size and dimension of door, drawer front or new units. With hundreds of designs and colours to choose from, you'll be spoilt for choice when it

comes to deciding how your kitchen should look. And, if you should require a complete New Kitchen, then our experienced team will take you through

all the steps required to have the kitchen on your dreams.

Call into our showroom at 18 Station Road, Taunton and see a door replacement, showing you how your kitchen will look after a door swap. We also transform "BED-ROOMS", change your doors or the complete service of a new bedroom.

Together with our quality workmanship of fitters we offer the full service which takes the hassle from you trying to arrange them from

Corgi registered Gas installers, Part P electricians to Tilers.

Not only do we change the doors, we can supply and install new units, worksurfaces from Laminate to Encore - solid surfacing and Granite and a vast range of sinks and appliances.

Call 01823 286648 now to arrange a FREE, NO OBLIGATION home visit to give you an exact quotation.

Christmas Food & Drink

★ The Wheelwright Inn, Colyford

It's not often that one discovers a 'Gastronomical Aladdin's Cave' in the heart of the South West. A genuinely warm and homely welcome, an eyebrow-raising menu selection, masterminded by a close-knit team of chefs who believe passionately that offering the best food revolves entirely around the very freshest, locally sourced ingredients, simply prepared and elegantly presented.

"It's as simple as that really" says Head Chef Damon Ralph "we wanted to be honest about what we do in the kitchen, get back to basics with seasonal produce and give diners traditional dishes with a modern twist". And that's exactly what they have done at The Wheelwright, in abundance. Their pan-fried local scallops with black pudding, celery and apple puree, is inspired. Roasted loin of monkfish, wrapped in Parma ham served with a glorious shellfish casserole, pure genius. And the panna cotta with spiced plum compote, to die for (many times over). Even their homemade chocolates are sheer delight.

"One of our senior chefs here is a confectionary nut, we asked him to really 'push the boat out' and create something totally unique". But you don't have to go for a full sit-down meal. "We have a great selection of very popular deli-boards on offer from our bar menu" says owner Gary Valentine, "or why not just pop in for a festive, freshly baked mince pie, brandy butter and a latte, in front of one of our roaring open fires, you are all more than welcome". For bookings please contact Gary or Toni on 01297 552585.

★ Town Mill Cheesemonger

This Christmas, the award-winning Town Mill Cheesemonger in Lyme Regis tempts cheese lovers with an array of the very best cheeses from the West Country and beyond (including - of course - Colston Bassett Stilton). Fabulous treats and gifts include presentation cheese selections, whole cheeses, succulent chutneys, pickled fruits, crisp biscuits and the Town Mill truckle. Wallace and Gromit packs, too! Non-cheese suggestions are slate or oak cheese boards, sets of cheese knives, books on cheese and an amusing yellow Swiss cheese doorstep. All can be packed in presentation gift baskets. And if you really can't decide which cheesy item is the most appropriate, gift vouchers are also available, from £5 to £50.

To make sure that your family's favorite selection is available for you to collect at a convenient time, Justin Tunstall, chief cheesemonger, suggests pre-ordering on 01297 44 26 26.

Acclaimed "Best New Cheese Retailer" at the British Cheese Awards in September, the Town Mill Cheesemonger is open from Friday to Sunday in winter months. Additionally, they'll be open every day (except Mondays and Christmas Day) from December 11th. to January 3rd. Shop hours are 10am to 5.30pm, and 11am to 4pm on Sundays and Bank Holidays.

Christmas Food & Drink

★ Colyton Butchers

Expert sausage-maker Anton Bolton from Colyton Butchers was celebrating success at the recent Champion of Champions awards at Butchers Hall in London which is classed as Butchers holly grail, the event took place last month and the guest speaker was the Black Farmer, this is Anton's third visit in 5 years so they must know a good banger when they see one.

Champion of Champions sees award-winning sausages from across the UK go head-to-head to pick out the best banger in the UK. Anton's West-country sausage scored 100% in the regional event which saw him go through to the Champion of Champions at Butchers Hall.

Out of 26 finalists sausages 6 cooked and 6 un-cooked the judges were left with 5 they had

▲ Pictured above is Anton collecting his national finalist award from the Black Farmer Wilfred Emmanuel-Jones

awarded 99% to and then needed to pick a winner unfortunately Anton's raw sausages were slightly inconsistent in size (millimetres) otherwise they would have given him 100% and he would have won. After a cook off the

overall winner of the final was Allan Bennett a 74 year old sausage veteran from Wolverhampton who is a sausage guru and what he doesn't know about making a winning sausage isn't worth knowing.

After the event the judges said Anton's West-country would come second, so not bad in knowing a sausage from Colyton in Devon in the next best in the whole country.

Anton said we are de-

lighted with this achievement, you only get this chance by winning major regional competitions and assessments and I am now perfecting my skills and recipe so I can go one better next time and win the best sausage in the UK.

Anton only uses select cuts from free range pork to make his winning sausages they are available in large pork, pork chipolatas, and sausage meat. The sausages are available to customers in the shop daily and at select retailers in the area, if you would like to stock these prize winning sausages or use them in your food business we will be only too pleased to help you.

★ By The Bay

By the Bay is ready for Christmas – are you?

By the Bay on Marine Parade on Lyme Regis is sporting a fantastic, fresh new look and a delicious menu with lots of seasonal favourites. Enjoy a glass of mulled wine to warm you up after a bracing walk along the shore, or tuck into a hearty boeuf bourguignon served with crusty French bread as you watch the waves crash over the Cobb. And when evening falls, diners can enjoy an extended menu choice, with new comers like game terrine, herb roasted salmon and gourmet fish and chips joining evening favourites Ashdale Beef sirloin steak and pan-fried sea bass.

Open throughout the Christmas and New Year period, there's lots going on at By the Bay. Carol singers, jazz players and

caricaturists are all on the menu over the festive period. We are also busy taking reservations for Christmas Day – which is already over 50% sold out – and our party nights, when for just £39.50 per head diners can enjoy a fantastic three course dinner, dance the night away to the resident DJ and be

awed by the amazing feats of John Vincent, the fantastically talented close up magician who will be performing around the dining tables each party night.

★ The Old Inn, Kilmington

Christmas at The Old Inn is always a special time, whether it be a little family celebration or a crowd of work colleagues enjoying the festive spirit the atmosphere created by Duncan and Leigh has always been just right. This is their third Christmas at the pub and each year has built on the success of the past. Their Chef Adam will be celebrating his second season there and has come up with a new menu for their guests.

'The new menu offers a twist on some classic dishes' Adam told us. 'This year we are combining

the dark turkey meat with the stuffing and roasting it with the breast meat. The combination of flavours and texture is fantastic and we have been practising on our regulars over the last few weeks.' Other items include some old favourites but all cooked with the flare and care that has given this little pub a big reputation.

Christmas parties can be booked by calling 01297 32096 and more details, as always are available, online at oldinnkilmington.co.uk

★ Amity Hair Gallery

Elaine, Sharon, Sarah and Stephanie would like to wish all of their customers a Merry Christmas and a Happy New Year. They would like to take this opportunity to thank customers for their continued loyalty to the salon.

Elaine and Scott have owned Amity Hair Gallery for 20 years now, and have built an outstanding reputation throughout. They refurbished the salon last year, bringing it more up to date, which has proved very successful and has enabled them to employ another stylist.

Amity Hair offer a full range of hairdressing and excellent skills with around fifty years experience between the stylists. We use top quality products; Tigi and Keune.

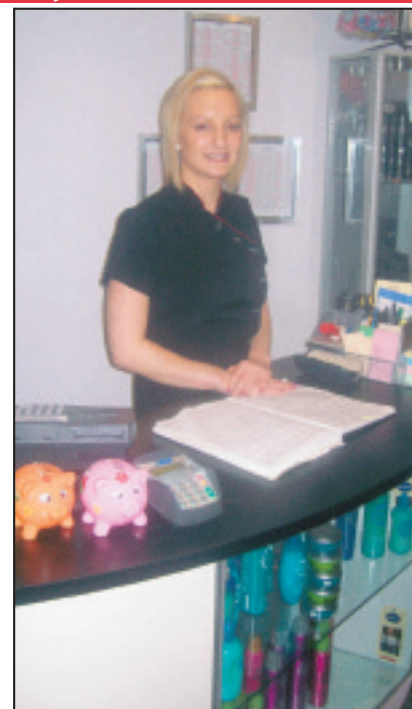

Sharon has been working at Amity Hair for five years and takes great pride and care in all of her hairdressing.

Sarah, having worked locally in Honiton and gaining experience on a cruise ship, joined the team almost a year ago.

Both stylists are very competent in all aspects of hairdressing and a real asset to the salon.

Elaine and the rest of the team would like to welcome Stephanie, the newest stylist to join the salon, and hope she will enjoy working with them. Stephanie has recently qualified in all aspects of hairdressing and has an excellent knowledge of all the skills required. She would welcome clients to join her at the salon.

To make an appointment feel free to call into the salon or telephone 01404 41997.

★ Melanie Brown's - Christmas luxury, affordable prices

As Christmas approaches and you are thinking about gifts for friends and family why not consider something to enhance the feel good factor during the cold dark months. At Melanie Brown's we feel it is important to keep our training and professional services right up to date, thereby offering you the very latest and best in luxury treatments.

Over the past few months our senior and junior stylists have all attended Redken courses in London and can bring to you the very latest in Advanced hair colouring and cutting. They have also been inspired after attending seminars presented by international renowned hair stylist Patrice Cameron.

Within the beauty area Melanie, Grace and Charlotte have received on going training from Guinot skincare. Grace has travelled to Jane Iredales make-up training centre to advance her skills and knowledge on the benefits of mineral make-up. In the salon clients have had one to one make-up advice from Jane Iredales leading Artists, with more dates

to be set for the New Year.

Inspired by all these courses and new qualifications the team can now offer you that little bit extra from London without artificially inflated city prices. Why travel to the city when you can receive innovative treatments at local prices.

Melanie and her team will offer you professional, impartial advice on products and treatments and aim to ensure that your time spent with us is the sort of experience that brings you back.

Gift vouchers are available for a huge range of Hair and Beauty treatments and can be flexible to include special offers and promotions.

Looking into 2010, have you seen any of the makeover programmes on television that have transformed the lives of individuals? So often it is the new hairstyle that compliments and completes the new image. At Melanie Brown's we can help bring a new you into the New Year.

Finally we wish all our clients a very Happy Christmas.

★ Thistlegate House

Christmas at Thistlegate House is a very traditional and festive affair with the house being fully decorated with holly from the gardens, seasonal decorations and four or five trees laden with lights, clusters of varying coloured baubles, numerous gifts for the clients and staff and of course angels.

Every year June and John visit a local farm specialising in the sale of trees especially grown for their use at Christmas to search

Hearing & Mobility Centre

Hearing and Mobility Centre at 75 High Street, Sidmouth offer free hearing tests. Appointments may be made for in-store testing and for home visits by our qualified and experienced Audiologist.

Whilst hosting this new facility, we also now stock Cosy Feet Footwear and a large range of mobility and other aids to help overcome difficulties in daily living. for and select a large and attractive tree for the main lounge at Thistlegate House and their clients enjoyment. Once located June and John physically fell the chosen specimen themselves and manhandle it through the wood and finally transport it back home where it is sited, decorated and remains within the lounge until twelfth night. Throughout the week leading up to Christmas day, entertainment is provided in the form of visiting musical entertainers, local school children's choirs, bell ringers, adult choirs and religious service.

During this busy week of preparation the chef works overtime in order to keep up with the supply of homemade mince pies, tarts, cakes and pastries for all of the clients, clients' families, friends and all the visitors to Thistlegate House during this joyous time.

On Christmas day morning clients, together with their families and friends are invited to join both June and John together with their staff in the lounge for mince pies and a glass of sherry before excitedly opening all of the gifts that have been received and placed beneath the tree. The chef meanwhile prepares a traditional roast turkey luncheon with all the trimmings (however he is not left out of the morning's celebrations) and both June and John join their clients in the elegant dining room and enjoy conversation and reminiscing as well as fun and laughter with mints from the crackers.

Following lunch a quiet period of rest and perhaps a snooze before afternoon tea and of course the queen's speech. For those clients and relatives who have the stamina a late afternoon quiz is organised comprising of two teams one led by June the other by John with enthusiastic rivalry.

A light Christmas day high tea follows with June and John joining their clients once again in the dining room.

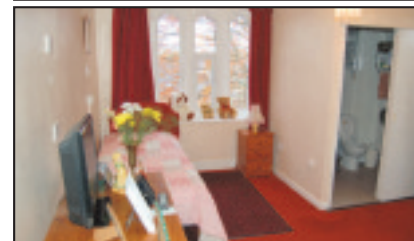

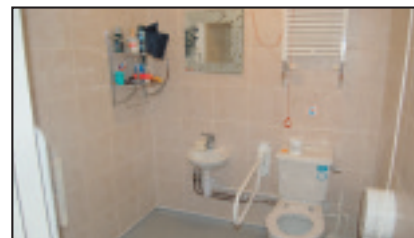

After a good night's rest Boxing Day has a similar format with June and John once again joining their clients for both luncheon and high tea. The staff at Thistlegate House are to be applauded for their dedication and commitment in selflessly providing their clients with traditional family based Christmas celebrations.

June and John would like to thank all of their staff together with all of the outside health care professionals who support and assist in the excellent care that the clients of Thistlegate House receive and to wish everyone a very merry Christmas and a Happy Healthy Prosperous New Year.

An Axminster based clinic's 3D Optical Laser Foot scanner and Computer Diagnostic System, some of the most advanced in the world, form part of an innovative service to alleviate foot pain.

Feet can cause us real pain and we may not even know it!

We only have one pair of feet and they take us everywhere so it pays to take good care of them, but most of us don't give our feet a second thought that is until they hurt!

Once our feet are hurting most of us have no idea how to eliminate the pain. Untreated this can lead to long term problems, many problems associated with the foot are the result of a faulty relationship between the bones and the muscles of the foot. Misalignment can result in a number of problems, commonly flat feet, persistent ankle sprains, bunions, corns, calluses, even symptoms that one would not normally associate with feet such as stress and pain in the back, neck, hips and knees.

AT HEALTHY FEET CHIROPODY AND PODIATRY WE PRESCRIBE AND ISSUE THE VERY BEST FOOT ORTHOTICS USING THE MOST TECHNICALLY ADVANCED EQUIPMENT AVAILABLE ANYWHERE IN THE WORLD TODAY. OUR 3D OPTICAL LASER FOOT SCANNER AND COMPUTER DIAGNOSTIC SYSTEM IS JUST ONE INNOVATIVE METHOD WE USE AGAINST FOOT PAIN IN OUR AXMINSTER BASED FOOT CLINIC.

SO WHAT ARE ORTHOTICS?

Orthotics, are special footwear inserts that are individually designed and manufactured to ease your pain and discomfort. They promote the proper alignment of the feet, restore balance, improve sports performance and alleviate pain in the knee, hip and lower back.

HOW DO ORTHOTICS WORK?

As your foot sits comfortably on our orthotic it is gently and consistently directed into the optimum position allowing the foot to function correctly when walking, running and standing.

AT HEALTHY FEET CHIROPODY AND PODIATRY OUR PRESCRIPTION ORTHOTICS ARE MADE TO THE HIGHEST STANDARDS AVAILABLE USING MODERN TECHNOLOGY, ARE COMPLETELY ACCURATE AND PROVIDE THE VERY BEST CORRECTIVE TREATMENT AVAILABLE. Our 3D Optical Laser Foot Scanner replaces the need for traditional plaster casting and drawing around the foot, methods still in use today which are messy, inaccurate, costly and utilizing materials of limited life, requiring frequent replacement. We successfully treat many foot conditions but one common foot condition we see a lot of at our Axminster based clinic is PLANTAR FASCIITIS. When your first few steps out of bed in the morning cause severe pain in the heel of your foot, you may have plantar fasciitis (fashee-EYE-tiss). It's an overuse injury affecting the sole or flexor surface (plantar) of the foot. A diagnosis of plantar fasciitis means you have inflamed the tough, fibrous band of tissue (fascia) connecting your heel bone to the base of your toes. You're more likely to get the condition if you're overweight, or if you have a job that requires a lot of walking or standing on hard surfaces. You're also at risk if you walk or run for exercise, especially if you have tight calf muscles that limit how far you can flex your ankles. People with very flat feet or very high arches are also more prone to plantar fasciitis. The condition starts gradually with mild pain at the heel bone often re-

ferred to as a stone bruise. You're more likely to feel it after (not during) exercise. The pain classically occurs again after arising from a midday lunch break.

If you don't treat plantar fasciitis, it may become a chronic condition. You may not be able to keep up your level of activity and you may also develop symptoms of foot, knee, hip and back problems because of the way plantar fasciitis changes the way you walk.

REMEMBER YOUR FEET ARE THE FOUNDATION FOR YOUR ENTIRE BODY.
If you suffer from foot pain and/or would like to discuss an assessment please call us at Healthy Feet on

To the rear are good size gardens with summer house, garage, store and large parking area.

SEATON - 7 BEDS £299,950

A substantial 7 bedroom period town house situated within walking distance of Seaton town centre. The property has a wealth of accommodation spread over 4 floors and could be suitable for 2 families or converted to flats (subject to any consents). There are many character features including period fireplaces, exposed floor boards and sash windows. The property has gas central heating, an enclosed rear courtyard, parking to the front and the current owners rent an additional area of garden opposite. No ongoing chain.

LYME REGIS - £315,000

A fabulous 3 bedroom grade II listed first floor apartment set back just off the sea front at Lyme Regis with views to the harbour and Lyme Bay. The property will make an ideal holiday or main home and has a good size accommodation with 20' living room, large modern fitted kitchen/breakfast room, master bedroom with en-suite shower room, 2 further bedrooms and rear balcony. There is gas central heating and the property is offered with no ongoing chain.

SEATON - GUIDE £369,950

A well presented detached 4 bedroom house built by Prowling Homes just under 10 years ago and ideally situated on a high quality development on the west side of town. The property enjoys well planned accommodation with double glazing, gas central heating, private enclosed rear gardens and double garage.

SEATON SEA FRONT - £355,000

Ideally situated just yards from Seaton sea front, this substantial detached 5 bedroom house is currently used as a Bed & Breakfast but would also make a large family home. There are 3 bathrooms, 3 reception rooms, large kitchen, shower room/cloakroom, outside studio, utility and 29' tandem garage with additional parking.

COLYTON - £460,000

A substantial 5 bedroom attached period house situated on the edge of this popular village with views to the rear across to open countryside. Mill House has accommodation spread over 3 floors with 5 double bedrooms, bathroom, sitting and dining room, kitchen, pantry and useful attached 2 storey workshop/store with potential to create additional accommodation (subject to any consents). There are good size enclosed gardens to the rear and a driveway to the side.

Stylish and spacious village home

WELL situated within a select cul-de-sac of similar high quality properties in West Hill, this individual home with its distinctive gables offers spacious accommodation eminently suitable for family use. Of brick elevations under a tiled roof, the property, which was constructed to a high specification approximately 10 years ago by the respected developers Prowling Homes, has well planned accommodation with a good sized reception hall having access to all principal ground floor rooms.

Leaded uPVC double glazed windows and gas fired central heating are installed, together with an efficient Megaflow pressurised domestic hot water system, which ensures good shower pressures. All the rooms have coved ceilings with the reception hall and sitting room having more ornate ceiling friezes and

bevel edged glazed double doors to the kitchen breakfast room.

Recessed downlighting and up-lighters are also used to great effect in the reception hall and most principal rooms. The large dual aspect sitting room has French doors opening onto the garden room and an attractive period style fireplace. There are also two further reception rooms, whilst upstairs the galleried landing leads to a master bedroom suite inclusive of a dressing area and spacious en-suite bathroom. There is also a guest bedroom en-suite, two further bedrooms and a family bathroom, which is also of a good size, having a separate shower cubicle.

Internally, the excellent decorative order is enhanced with attractive panelled doors, brass electrical fittings and Amtico flooring in the modern kitchen breakfast and adja-

cent utility rooms. Particular mention must be made of the large garden room, which extends across the rear of the property, and which overlooks the enclosed garden, providing a wonderful social area.

West Hill is a much sought after rural community nestling in the glorious East Devon countryside with its magnificent tree lined avenues and lanes. The highly regarded Kings Comprehensive School is within the catchment area of the property and the popular coastal resorts of Budleigh Salterton, Sidmouth, and the Cathedral City of Exeter all lie within approximately 10 miles.

With a guide price of £675,000 further details can be obtained by contacting Fulfords Country & Waterside East Devon 01404 813358 or the West Hill Office 01404 813358

Desirable village location

PLEASANTLY situated within good sized predominantly easterly facing gardens, this appealing detached home is situated in a no through road of similar high quality properties in the much sought after village of West Hill, nestling in glorious East Devon countryside with magnificent tree lined avenues and lanes.

The accommodation which has been thoughtfully designed would be of interest to those seeking either a family home with the potential to extend (subject to the necessary planning consents) or for retirement purposes with the majority of the accommodation being situated on the ground floor.

The spacious dual aspect sitting room incorporates a

dining area with patio doors opening onto a Southerly facing terrace and a kitchen comprehensively fitted with storage units and with space for a small breakfast area. The inner hallway has large built in storage cupboards and subject to some re-adjustment has the potential to create a study area. The inner hallway leads to a well proportioned master bedroom fitted with a range of wardrobes and an up to date en-suite bathroom. Upstairs there are two further double bedrooms with fitted wardrobes and a modern shower room. The presentation is enhanced with laminated flooring in the reception hall, coved ceilings and an attractive stone fireplace in the sitting room.

Maintenance is kept to a minimum with replacement soffits, fascias and rainwater goods whilst energy efficiency has been improved with installation of a mains gas central heating.

With a guide price of £425,000 further details can be obtained by contacting Fulfords Country & Waterside 01392 660007 or the West Hill Office 01404 813358

Christmas View from the Restaurant

Reeds Restaurant, Colyford

LOCAL residents and visitors to the area are now able to sample some top quality food, offered at reasonable prices at Reeds Restaurant, Swallows Eaves hotel in Colyford.

Stylistically, the restaurant has been remodelled into an elegant, light and airy room, accommodating just 22 people. It offers an intimate dining experience where the quality of the food is matched by seemingly effortless service.

The menus, which change daily, can be described as "modern British" serving dishes based upon tried and tested combinations, using the best seasonal and local ingredients. Choices such as Devon beef fillet with pumpkin dauphinoise, carbonnade sauce, oysters and caramelised shallot; local pork tenderloin with wild mushroom ragout, sage potato gnocchi and creamed leek, and Brixham crayfish and roast garlic risotto with rocket are just an indication of the dishes offered to diners. Delicious desserts such as apple and cinnamon crumble with vanilla crème anglaise or pear and

almond tart with saffron custard and pear syrup will round off your meal beautifully.

'Reeds' will be serving a Christmas menu throughout December. Exclusive use of the restaurant is available for family gatherings, company Christmas parties or a group of friends. With a recommendation by the Michelin Guide the restaurant is open Tuesday – Saturday from 6.30pm.

Offering refined contemporary food, warm hospitality in an infor-

mal and relaxed environment, Swallows Eaves hotel is easy to access being located on the main Sidmouth/Lyme Regis road and has plenty of space to park the car. Or if you prefer not to drive after enjoying a great evening out, why not take advantage of the special B&B rates and extend your stay overnight?

To book a table call 01297 553184 or go to their website www.swallowseaves.co.uk for more details.

GANGSTERS IN SEATON

TICKETS are selling fast for the December production of 'Bugsy Malone' brought to you by the kids from Confi-dance.

Sara Perry (Director), Mick Redston (MD) and the all child cast (aged 7-16) have been rehearsing hard for the last few months and judging from Sara's last two shows 'Lost In Musicals' and 'Britains Got Taste' earlier in the year, 'Bugsy' is sure to be another first class performance.

Set in 1920's New York City, the story captures a flashy world of would-be hoodlums, showgirls, the rise of 'Bugsy Malone' and the battle for power between 'Fat Sam' and Dandy Dan. The musical is a 'Grand

Slam' of splurge, custard pies, flour bombs and gooey pandemonium which should not be missed so grab your tickets quick!

Friday and Saturday night are Gala nights, so feel free to come in fancy dress there will be a prize for the winner. If you are stuck for ideas get down to the Hobby Shop and they will be able to help supply you with gangster attire.

Performances December 9th, 10th, 11th and 12th at Seaton Town Hall. Tickets on sale at Seaton Hobby Shop £8.00 Adults / £5.00 Children. Telephone 01297 23474 for more details.

Willie and the Hand Jives return to Musbury

WILLIE and The Hand Jives return to Musbury Village Hall on Saturday, November 28th from 8.30pm, with their big band soul sound guaranteed to get everyone's toes tapping. There is a licensed bar; tickets are £7.50 in advance from Musbury Post Office or £10 on the door, and proceeds go to the Village Hall Roof Fund and to the Musbury Castle Challenge.

MOZART REQUIEM - MYSTERIOUS MASTERPIECE

SEATON Choral Society's concert on Sunday, December 6th in St Andrew's Church Colyton is surrounded by musical mysteries. It will begin with a performance of a very attractive but quite unfamiliar Christmas Mass by a shadowy figure called "Albert des Anges". Little is known about this French (or possibly Belgian) priest; we do not why his only other bequest to musical posterity was a book of 840 organ tunes, nor how he got his description "des Anges". Perhaps it was because the music of this little mass is so full of delights, with various Christmas carol tunes skilfully woven into its structure. The society is lucky to have the fine organist Nicholas Brown to accompany this piece.

Mystery also surrounds the main work, Mozart's incomparable "Requiem". Just a few weeks before his death in 1791 at the age of thirty-five, Mozart received an anonymous commission for a Requiem Mass. The patron was an aristocrat whose wife had died in February that year. He wished to be regarded as a major composer and saw this as an opportunity to pass off the Requiem as his own. On several occasions he arrived unannounced at the composer's house. These mysterious visitations had an unsettling effect on the superstitious Mozart, who was already terminally ill, and he died with the Requiem still unfinished. Fortunately for us, Franz Sussmayr, one of Mozart's most able pupils, was persuaded by the composer's widow to complete the remaining movements, which contain magnificent music, both by Mozart and Sussmayr. It seems that the slippery Count did not, in the end, succeed in his machinations!

The soloists for the Requiem will be Josie Walledge, soprano (better known to some as Josie Carpenter, and remembered for her fine performance in the Rutter Requiem in December 2007), Margaret Thomson, contralto, Leslie Baker tenor, and David Fouracre, bass. Frances Waters will take on the very challenging task of playing the orchestral part on the piano, and Leslie Baker will conduct when not moonlighting on the tenor part!

Please note that the performance will start at 4.00pm. Ticket/Programmes (£9) will be available from "The End" Bookshop, 54 Queen Street Seaton, and from Brainwave in Colyton, or ring 01297 552482. Students of 18 and under will be welcome free of charge.

Honiton Community Church presents

Aladdin

GET warmed up for Christmas with The Community Church, Honiton, as it puts on the ever-popular pantomime 'Aladdin'. With all the usual terrible jokes, lively songs, dazzling costumes, and audience participation, there's something to entertain and cheer all the family! Principal parts include College students Ziggy Chattel (Aladdin) and Natasha Donne-Davis (Princess Martini), with Jasper Tirard as Wishy-Washy, Pete Pentecost as panto-dame Widow Twanky and the evil Abanazar played by Richard Bohr, ably assisted by long-suffering Won Tun, played by Sheila Allen. Don't miss it!

The three performances are on the evenings of Friday 4th and Saturday, December 5th at 7:30pm, as well as a Saturday 5th matinee at 2:30pm, all at Honiton Community College. For details, contact the church office on 01404 43800, email admin@tcch.org.uk, or just turn up on the night.

Tickets cost £4 for adults and £3 for children, with a family (2 adults, 2 children) discounted to £12 (additional children £2 each).

Budleigh Salterton Male Voice Choir to perform in Offwell

THE Budleigh Salterton Male Voice Choir and Soloist Val Howells (Soprano) will be performing at Offwell Village Hall on Saturday, November 28th to raise money for Offwell St Mary's Church repairs fund.

The Choir was founded 35 years ago and has sung regularly at venues around Devon and further afield, largely for the benefit of local and national charities and for numerous church development funds.

Its sixty or so members come from all over East Devon and participate in this stimulating and enjoyable hobby, knowing that the 14 or so concerts they perform a year benefit the communities by as much as £10,000 per year.

The choir is fully booked for next year and is taking bookings for 2011. The highlight of 2009 was the choir's participation in the International Male

Voice Choral Festival held in Turo.

The Choir's Musical Director, Allen Coles, has been involved with music since the age of nine, when he joined his local church choir. He started playing brass instruments at the age of eleven and play for fifty years in brass concert bands and in the orchestra pit for musical shows. He joined the Choir in 1996 and just one year later took over a musical director.

Sandra Jepps has been the accompanist for the last 2 years.

The *Miche Bag* is a perfect present for ladies – one basic bag but with a huge choice of covers and straps enabling it to match any outfit. See them demonstrated on the *William E Selkin* stand.

Treat your dog to a gift from *Glo-Balls* who sell night visibility products. Your dog will never lose a ball that you throw at night again!

Metal-craft with a difference from *Dene Clatworthy* - his products have been made from metal taken from the MSC Napoli (he'll have some salvaged oak barrels on his stand too).

How about a chocolate making kit from *Chocolate Queen*, or maybe book a painting holiday with *Fenwick Fine Art*. Buy someone a flying lesson with *Aviation South West* or what about an *Ollypop* surf towel, as featured on the Dragons Den? Every alleyway at the Fayre is packed with great ideas.

If you've never been, then give it a try this year and take all the pressure out of Christmas by doing your festive shopping all in one go. The 280 exhibitors who take part 'all under one roof' offer an enormous selection of products you simply won't find anywhere else locally!

For 3 fun-packed days Westpoint hosts an amazing range of Retailers, Manufacturers, Craftspeople, Food and Drink

Suppliers and importers from far and wide and they transform the vast hall into an Aladdin's cave of wonderful gift ideas and essential Christmas items.

There is free on-site parking for thousands of cars and admission prices have been held at only £3.00 for adults, £2.00 for OAPs and free for kids. Be sure to pay a visit! Also visit the website at www.christmasshoppingfayre.com or get further details from Grahame Davidson on 01271 378000.

IAM flood advice for drivers

WITH more flooding predicted, the IAM (Institute of Advanced Motorists) has today (18 November) issued advice to driv-

ers.

IAM Chief Examiner Peter Rodger said: "If the journey is unavoidable, motorists should take extra precau-

tions when dealing with severe surface conditions. Torrential rain brings with it visibility problems as the car mists up in seconds."

Advice for motorists considering driving in flood conditions:

- Don't go in if the water's obviously too deep or flowing too quickly: consider an alternative route.
- If you have to drive through water try to drive in the highest section of the road and don't set off if a vehicle is travelling in the opposite direction. Leave time and space for each other, so you don't swamp other drivers.
- Drive only fast enough to create a small bow wave in front of the vehicle - driving at speed may be dangerous to other vehicles or pedestrians.
- Keep going once you have started - make sure you have a clear run, put the car into first gear, keep the revs high and set off. Don't go in if you can't see a way out on the other side.
- Do not take your foot even slightly off the accelerator, as this will allow water to travel up the exhaust pipe.
- As you go through the water, slip the clutch if you can. After you come out, dry brakes gently before you need them - the best way is to lightly apply the brake as you drive along for a few seconds.
- At the other side, keep moving and continue to rev the engine to clear any water from the exhaust

TOYOTA LAUNCHES THE ALL-NEW LAND CRUISER

Off-road excellence and on-road poise from latest in a line of 4x4 legends

THE Toyota Land Cruiser has built a formidable reputation around the world for its ability to take even the most extreme conditions in its stride. From arid deserts to polar wastes, Land Cruiser has demonstrated its unrivalled toughness and durability in a heritage that spans six decades.

This background of achievement makes the

launch of an all-new Land Cruiser a particularly significant event and Toyota has wasted no effort to ensure its new model builds on the pedigree of its ancestors. It is equipped with a raft of new and advanced handling and driver assistance systems that take its off-road capabilities to new heights. At the same time, it has been engineered for greater poise, comfort and

performance when driving on-road.

In the UK new Land Cruiser is offered as a five-door model powered by a revised 171bhp 3.0-litre D-4D engine, matched to a five-speed automatic transmission. Three equipment grades are offered – LC3, LC4 and LC5 – with seven seats fitted as standard on all but the entry level version (on which third row seats

are an option). Customer orders are being taken now with first deliveries from early December. On-the-road prices range from £29,795 to £44,795.

The new Land Cruiser is only slightly larger than its predecessor, which helps maintain its off-road agility. The styling combines the model's traditionally robust looks with styling cues that were first introduced on the larger Land Cruiser V8.

Intelligent interior packaging provides more space inside the cabin, with Toyota EasyFlat third row seats that can be raised or folded flat at the touch of a button (LC4 and LC5 models). The usable loadspace has been significantly increased and a new rear glass hatch allows items to be loaded without having to open the full side-hinged tailgate – ideal for tight parking places.

Toyota has retained the body-on-frame construction that has always been an integral part of Land Cruiser's exceptional off-road ability. Careful attention to the suspension design and NVH measures ensure high standards of on-road ride, handling and comfort are

maintained.

New Land Cruiser introduces a series of advanced but user friendly features that help the driver tackle even the most challenging routes. These include: -

Electrically modulated Kinetic Dynamic Suspension System (KDSS), which minimises body roll and gives positive steering on-road, and increases wheel articulation off-road.

Full-time All-wheel drive with Torsen limited slip differential.

Multi-Terrain Select (MTS), with four driver-selectable modes to tailor vehicle settings for different off-road conditions.

Multi-Terrain Monitor, a world-first system of front and side view cameras that give the driver a real-time view of areas immediately around the vehicle that can't be seen from the wheel.

Crawl Control, which controls the engine and brakes to maintain a slow, safe speed when driving off-road or wading, so the driver only needs to concentrate on steering. This operates in both forward and reverse gears.

Active Traction Control (A-

TRC), Multi-Terrain ABS and Vehicle Stability Control (VSC) are fitted as standard on all models.

Equipment highlights

There is nothing spartan about life on board the new Land Cruiser. 17-inch alloys, roof rails, fog lamps, climate control, cruise control, Bluetooth and Smart Entry and Start system are all part of the LC3 specification.

LC4 models add triple-zone climate control, 18-inch wheels, powered folding third row seats, leather upholstery, electrically adjustable heated front seats, dusk-sensing headlights, auto-dimming rear-view mirrors, rear parking monitor, 17-speaker JBL premium audio package and a hard disc drive (HDD) navigation system with a 10GB sound library.

At the top of the range the LC5 models come with Adaptive Variable Suspension with Active Height Control, sunroof, Crawl Control, Multi-terrain Monitor, Steering Angle Display, Multi-terrain Select and a rear seat entertainment system for DVD playback and gaming.

NEW HONDA CR-V PRICING ANNOUNCED

HONDA (UK) has announced competitive new pricing and a generous specification for its new-look Honda CR-V, which goes on sale in

January 2010.

Built in Britain at Honda's plant in Swindon, the new model will be available with a new diesel power-plant – the i-DTEC – and

an eagerly awaited automatic gearbox for diesel models. The top-selling SUV's popular looks have been refreshed with a distinctive new front bumper,

grille and revised rear bumper.

NVH levels are improved, with increased sound deadening around the engine and cabin, adding to the high-quality refinement of the CR-V and making it an even quieter and more relaxing car to drive. Inside the cabin, upgraded fabrics and plastics have been used to give a more premium finish; a new audio console design has been introduced.

Like the previous model, the new 2010 CR-V offers unrivalled equipment levels that, along with its ample cabin, split-level boot and 'car-like' handling, have made it so popular. SE grades now come fitted with newly-designed 17-inch alloy wheels as standard as well as air conditioning, auxiliary socket, cloth upholstery and power-heated door mirrors.

ES grades get 18-inch 10-spoke alloy wheels, auto-dimming mirror, cruise control, double-deck cargo space, electric

folding mirrors, half leather and Alcantara heated seats, headlight washers, front fog lights, leather steering wheel and gear knob, rear parking sensors, unique interior inlay trims and USB connector for an iPod, over and above the SE model.

Top spec EX models are differentiated by full body-coloured bumpers and come equipped with DVD voice-activated satellite navigation with premium audio and subwoofer, full leather upholstery with front heated seats, HID Xenon headlights and auto headlight on function, panoramic roof, rain sensor, reverse tilt mirror and 8-way driver power seat in addition to the ES specification.

The 2.0-litre petrol CR-V is also Euro 5 compliant, but remains unchanged from the previous model, producing 150PS at 6,200rpm and torque of 192Nm at 4,200rpm.

The CR-V has always been recognised for its high-specification equipment levels and sector-leading residual values, and the new car's value-for-money package should continue to impress.

Technology packs which include Satellite Navigation and Bluetooth Hands-Free Telephone, are available on all SE and ES grades for £1250.

Three new paint colours are available for 2010, Premium White Pearl, Urban Titanium and Alabaster Silver. Five other metallic paints are available – Crystal Black, Polished Metal, Sparkle Grey, Deep Bronze and Deep Sapphire Blue. Milano Red is the solid colour available as standard.

Two active safety systems continue to be available on the CR-V and are unique to the SUV segment. Adaptive Cruise Control (ACC) is a radar-controlled cruise control function which maintains a set distance to the vehicle in front; Collision Mitiga-

tion Braking System (CMBS) predicts collisions and warns the driver, before applying braking and retracting the front seat belts if the situation becomes critical. These systems are optional on EX models.

The CR-V will continue to

be built at Honda of the UK Manufacturing in Swindon, where British workers proudly produce the SUV for over 60 countries. The revised CR-V goes on sale on 5 January, 2010 but dealers will be taking orders from 1 December 2009

WESTCOUNTRY JAGUAR

Independent Jaguar & Daimler Specialist

Tel: 01404 891999

Passionate about Jaguars for over 39 years

With 39 years of experience looking after Jaguars, Derek Lee has brought his skill and passion to Dunkeswell. Derek provides the ultimate care in Jaguar repair and maintenance at a competitive price on a one to one basis.

Derek has been based in London where in 1976 he left his employment with a Jaguar main dealer agent to become one of the founding partners in Leeborn - a family based business, which even then was centred around Jaguars. Having become the business's driving force, and developed it into a highly respected Jaguar and Daimler sales and service centre, the company then moved to new purpose - designed, fully equipped premises and renamed the company D.A. Lee. Derek's workshops have been designed to his own specifications and equipped with the very latest in computer diagnostics so that the care and maintenance of Jaguars and Daimlers was simply the best.

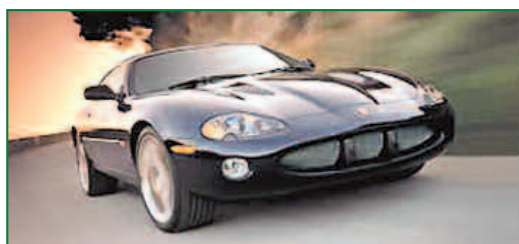

Derek Lee is not a man who accepts second best. He honed his winning formula in the competitive world of motorcycle racing. In six years Derek won more races than he can remember and three championships. Derek invested in the right equipment, employed the right people to tune and maintain his race bikes so that they were always in peak condition and absolutely reliable, he then added his own determination and drive. He is using that same formula to provide Jaguar and Daimler owners with the best independent maintenance and repair facility in the area.

Derek has looked after many customers from all parts of the globe - from all over England, Israel, Italy, Sweden, France and Scotland, some who still have their cars brought down to the brand new premises in Dunkeswell, like a Series II V12 Coupe which Derek has looked after for 32 years. Some of Derek's old London based customers having moved to the West Country, and after learning Derek is based in Dunkeswell, are coming back to re-establish service on their Jaguars.

Derek has the latest and best equipment money can buy in his workshop. From the computerised engine diagnostic and tuning unit to an air-conditioning maintenance machine, which also cares for the environment - no refrigerant is released into the atmosphere.

D.A. Lee is fully equipped to carry out all maintenance and repair work on Jaguar or Daimler cars. D.A. Lee offers the best independent and personal Jaguar service with all work being carried out to Jaguar specifications and schedules, using genuine Jaguar parts and top grade Oils. Regular reports keep you in touch with your car's progress and Derek will also consult you before carrying out any unexpected work. All this comes at a much cheaper price than a main dealer. Whatever your Jaguar needs, D.A. Lee is able to provide a service second to none.

Call Derek Lee now on 01404 891999 "Your one to one personal Jaguar emergency service".

CUSTOMER TESTIMONIALS

Derek,

Thanks for servicing the car. Nice to talk with someone who has great knowledge of Jags, and who explains easily and clearly what needs to be done. Great job, see you for the next service.

Regards Brendan Bader

Dear Derek,

Just a note to thank you for the very efficient service that you undertook on my S-Type the other week. Since then she has been covering half the country and has been extremely smooth and well behaved. May I also thank you for so quickly sorting the one or two problems that have arisen over the last few months. It was really appreciated to have sympathetic and sensible advice when phoning up and then to be looked after so quickly. Once again, thank you very much

With every good wish, yours, Dr Ian Grimble

Derek rectified two problems on my XJS that others could not. Having put them right he pointed out a few minor problems and on replacing the parts he suggested it feels like a new car. Derek is a very professional engineer charging realistic prices. He clearly knows his Jaguars and I have no hesitation in recommending his services

Ian Lock, Heartford

Dear Derek,

Many thanks for the excellent service whilst working on our Jaguar. We have complete confidence in your workmanship and once again we are very happy customers

Yours sincerely J & D, Dunkeswell

Dear Derek,

Just a note to say how pleased I was with the 150,000 mile service you carried out recently. You will be pleased to hear that everything is running normally, and I was most grateful that you were able to fix several points that I had raised with you in addition to the normal servicing detail. I shall happily use you again, and the only problem I experienced which was totally outside of your control was the road diversion in place when returning to pick up the car, but on the way back I only went about eight miles out of my way rather than considerably more on the outward journey.

If at any time in the future you wish to use me as a testimonial I shall only be too happy.

I hope you enjoy your holiday in Spain.

Regards, Michael Doyle

AXE VALLEY RUNNERS

WITH Dave Mutter

LAST week Geoff Woodward and Steve Reynolds travelled down to Pensilva near Liskeard for the Cornish Marathon staged on a hilly course with a couple of steep climbs at the end. Steve started off steadily having blown up for the last two years at the 16 mile point. Geoff renewed an old rivalry with Honiton's Steve Boyce and hooned off into the distance finally finishing in front of the two Steves in 3hrs 48mins.

Reynolds was going well until the final hill when he got cramp and finished in 4hrs 15 seconds just outside his four hour target but gaining a course PB by 15 minutes.

The BBC Children In Need Colyton Fiver and Fun Run race director Paul Morgan must have good connections with the weather gods.

Five minutes before the start of the race it was pelting down, then suddenly it stopped and for the next hour brilliant sunshine adorned the runners. With such poor weather early in the day not many runners were expected, but in the end 171 finished the Fiver and 56 the Fun run.

The best result was the £1,800 raised for Children In Need, a superb effort.

Torbay AAC's Peter Monaghan was the Fiver winner in 28:18. That was a brilliant time as the first part of Cownhayne Lane was covered in six inches of water for

over 100 yards making the race more like a duathlon. Great fun for the youngsters in the Fun Run, but many of the older 'kids' enjoyed the splash.

Naomi Speake was the ladies winner, 16th overall in 32:33. John Blackledge and Luke Reed had a battle to become the first AVR's home, with John just beating Luke to finish fourth in 30:19, with Luke fifth, in 30:33, a new PB by over a minute. Dominic Schneiders was next home, 19th in 32:46, followed by Chris Keffe 22nd, 33:23. Steve White was delighted with his 29th spot taking 34:39, just ahead of Richard Hale 34th in 35:28 and birthday boy Geoff Woodward 38th, 36:07. In his first run for ages Steve Potter fairly flew around to be 44th in 37:08.

The honour of finishing first AVR lady went to Sue Campbell who was 46th in 37:25. Peter Hughes had a barnstormer of a run, easily beating his nearest club rivals, finishing 57th in 39:11.

Gary Davies was 66th in 40:16 and Tim Sibley 70th, 40:47. With 800 yards to the end, Rick Wood spotted Dave Mutter looming up on him so he put on a bit of a spurt to finish 79th in 41:31 and Dave, who had only just overhauled Dawn Potter 82nd in 41:43. What can we say about Dawn? We haven't seen her for a long time and she has improved amazingly. There's no way a few years ago she would have finished 84th in 41:50.

BOWLS ROUND-UP

HONITON with Tony Broughton.

FIRSTLY sad news to report. During this week the Honiton Bowls Club became the latest victim of vandalism when a large section of the fence surrounding the Car Park was demolished, apparently during daylight hours.

The estimate for the damage is £1500 to £2000, what can I say, probably best to say nothing.

Back to happier things, we continue our winning streak with some success away as well.

Our home game against Exonia was a 79-69 win with our top rink at 25-12 being Maureen Willcocks, Gordon Tillier, Mike Critchley and Don Russell. Nice to see Don back on the rinks so soon after his hip operation, welcome back.

Next day and another win against Ottery St Mary of 91-56 when we won on three rinks and drew on yours truly's rink. Mind you I had the tough guys against us. Top rink at 27-10 was Betty Dibble, an past County President, Pearl Hoare, Dulcie, Broughton and Cyril Dann.

The same day we also had three triples go down to Sidmouth and had one of our rare away wins at 68-41.

Top rink this time was David Tooley, our very capable club treasurer, Malcolm Seabourne and Derek Viles.

That's a good turn out for any club in today climate to find 25 players on a Sunday.

The final friendly this week away to Isca Honiton lost 65-82. Two rinks won and two lost. Top rink was D Luffe, T Luffe, Mike Smith and Danny Dann.

It's nice to report that Maureen Parsons and Jean Mitchell have won their first round match in the Ladies County Pairs Competition again the Budleigh pair of Graham and Rivers.

After our narrow win in the first Over 60s County Trophy Competition the second against North Devon

(Barnstaple) did not go so well. Both home teams lost by 13 shots, one away team lost by four and the other won by two that gives a points score of 19-3 to them. See - I've mastered the scoring system.

This season for the first time the Ladies have entered the Lingford Trophy this is a Competition of two triples for ladies under 60 years of age. Their first round match on Saturday had to be postponed due to one of the cars carrying a visiting triple being involved in an accident resulting in all three occupants having to go to hospital.

We do not believe there were any major injuries but wish them all well.

There was a great days Bowling at the Isca Club on Saturday when in the morning Devon's senior men bet Dorset in the second round of the Liberty Trophy and in the afternoon, Devon bet Wiltshire in the Under 21 competition.

The Honiton Club can be truly proud of their Junior Section. We had no less than six of our young players in the Devon Side. A great result for the Club, for Denis Hillyear, our Club Coach, his wife Ann and their aids Norman Oliver and Shirley Hiscocks, well done to you all. Those in the Devon side, Hannah Morfe, Kiern Daniels, Jordon Wiltshire, Jimmy Smith all leads, and Emily Hedges who played two.

This Sunday the John Ritchie Cup Competition was run for the first time. This is an Australian Open Pairs Competition. I know what your thinking, I did not know what that was either, but apparently the lead plays two, the skip plays two then the lead plays another two and the skip finishes with two.

Twelve pairs entered and the eventual winners were George & Rosemary Selvey with six points and plus 22 shots.

Winter League Round

Two.

ONCE again played in very verywindy conditions, but thankfully no rain.

The last group- in Matt Yates and Shane Brown took top spot with 45 points beating long time leaders David Nichols and David Quinn on the back nine ruling.

Third spot went to P. Smith and B. Gray with 43 points. Only three twos, by B. Board, P.Northcott and P. Smith.

Seniors' Section. In the Senior's Section the Winter League round on Friday became a casualty of the present unpredictable weather.

On the Monday, despite the heavy overnight rain the annual match between the past captains and the present captain's team took place, although it was decided to limit it to 15 holes because of

the gusty gale force winds on the more exposed areas of the course.

All the matches were closely contested with two finally being decided on the last green.

In the final analysis the present Captain, Chris Walker, and his team came out on top by 3 v 2 over Brian Blackwood, the immediate past Captain and his side.

Winning pairings for the Captain's team were Chris Walker & John W. White: Gilbert Cox & Peter Knighting and Mike Tomes & Derek Williamson and for the past Captains Brian Wilkes & Don Lee and David Bruce & Charles Whitbourn.

HONITON
with Paul Dimond
Ladies Section

ON Wednesday, in quite windy conditions with slight drizzle from time to time, the ladies played a 14 hole Greensomes Stableford which had been previ-

ously drawn for playing partners.

The winners with 27 points were Sue Ritchie and Chris Frith.

Second: Mona Carter and Jennifer Pyle 26 pts on c/b from

Third: Joan Smith and Babs Knight also 26 on c/b from Jeanne Mackinnon and Pam Greenaway also 26pts.

Mixed Golf

THIRTY four members enjoyed the sunshine on Tuesday playing a Foursomes Medal, strictly alternative shots.

Such concentration on trying to sink putts to avoid teeing off on the next hole.

The winners with a very good 71.5 were Dot Grove and Cyril Dann. 2nd place was Olwen Eaton and John Dickinson with 74.5.

Third place Gerda Brown and John Frith with 76.

Fourth place were Jane Watts and John Northover with 77.

Seaton & District Snooker League

RESULTS: Colyton Excons 6 Sidmouth WMC 0, Chard Casuals 2+2 Honiton WMC 4+2. Postponed: Honiton Wonderers v Chard B.

WITH Honiton Wonderers match cancelled Chard Casuals went top despite losing at home to Honiton WMC 2-4. J.Cann won the first two frames for the Workies against R.Shave.

The next two frames were drawn but J.Thomas earned two bonus points for the Casuals for taking a frame off D.Wills.

The final two frames were also drawn with R.Selway getting two bonus points for the Workies for winning a frame against S.Banfield. The win for the Workies moved them up to third spot.

The only other game played this week saw Colyton Excons thrashing Sidmouth WMC 6-0.

With all three players winning their frames there were only three close ones, but the heavy defeat leaves Sidmouth rooted to the bottom.

Rugby round-up

ONE seldom feels sorry for the CHARD club for, apart from anything else, they do not encourage that sentiment over-much. I did feel a bit of a pang of sympathy last weekend however.

There was a gap in their league calendar on the 21st November and, not having a game, a trip to Twickenham to watch the All Blacks was organised. Unfortunately they were unable to play their scheduled league fixture of the previous week and were advised by the powers-that-be that the game should go ahead on the 21st.

Having duly cancelled their trip, probably a little grumpily, they were further advised on Thursday that, owing to the lack of a qualified referee, a further postponement was necessary. I do not know all the facts appertaining to this chaotic situation so I cannot apportion blame. I would have loved to have been about when the news of the further postponement broke however. I would, very probably, have learnt a few new expatiates.

Chard were not the only club to suffer from last Saturday's weather. HONITON were due to travel to SOUTH MOLTON for a cup round but their opponents were required to take part in a postponed league fixture. (I can see a fixture log jam looming for the Honiton club).

Some rugby did take place at Allhallows however, for, with the Honiton second side having a blank date, a club side was set together and a game arranged against the Cullompton second string.

This game took place in driving rain, gale force winds, and on the second of Honiton's two pitches where there is little shelter for spectators, the vast majority of whom sought sanctuary in the clubhouse.

Cullompton eventually won 23-0 with all players wondering just what they were doing there.

I, for my part, decided that I would see how WEYMOUTH were faring back at their own ground and took myself there to watch their cup game against OXFORD, that they won 20-10, after a contest in which the weather was the dominant force.

SIDMOUTH Nil BRIXHAM 14pts

THE Sidmouth side could certainly not be criticised for a lack of effort against these well organised opponents. The visitors had the advantage of the gale in the first period and, after initial exchanges that were, for the most part, even, Brixham won a penalty on halfway and kicked the award to the corner.

They won the ensuing lineout and, although their first attempt to roll the maul proved abortive, they reset and got over for a try that was converted.

With the wind at their backs, Brixham were doing the lion's share of the attacking, but stout defence held them up until the end of the first quarter.

At this point the home side were turned over when trying to drive out of their own twenty two. The Brixham scrum worker attacked the narrow side and put his winger clear. He grubbed as the cover closed and won the touchdown race. This try too was converted and Brixham led 14-0.

The home side did their share of attacking in the second quarter but could not score, and their opponents too had their chances but, in the event the scoreline remained unchanged at the halfway stage.

With the wind now in their favour Sidmouth certainly had a territorial advantage in the second half. They could not make inroads into the Brixham lead however, either with the boot, or via the touchdown. Their place kicker had a rare bad day and their lineout too was not at its best, giving respite to the visitors.

In fact, although a Brixham prop saw yellow late on, Sidmouth could not break the stalemate in his absence, and the whistle for no side saw Brixham emerge worthy winners.

SIDMOUTH COLTS 3pts HONITON COLTS 29pts

HONITON certainly struggled during the opening exchanges of this Turner Memorial encounter. They conceded a couple of penalties, one of which the home side goaled, and generally spent most of the time in their own territory. They began

to get an edge by the end of the first quarter however, and went on to have very much the better of things.

They took the lead before the half hour when Lee Clark, playing in the unaccustomed position of wing, got over out wide. The try remained unconverted as did Honiton's second, scored by Isaac Dalton, who touched down to give his side a 10-3 lead at the halfway stage.

Honiton now had the wind in their favour and Sidmouth, who had lost a player with an injured ankle during the warm up, could not get back into the contest.

Man of the Match, scrum half George Meadows varied his play to keep the Sidmouth back row honest, and further tries came from Dalton, Josh Wood and from full back Rice who made an incursion into the line late on. He converted the last two touchdowns for good measure to take his side to a convincing win.

PREVIEW

THE league programme resumes for both local clubs on Saturday next, and the challenges that face them, vary in the extreme.

HONITON travel to ILFRACOMBE, a side whom they defeated by well over seventy points just a few weeks ago and one whom, apart from winning on three occasions so far this season in the Devon League North and East, have not showed a great deal of form and lie in next to bottom place.

The journey is not an easy one and the Allhallows mob do tend to have the odd adventure on their away trips, generally to the detriment of their rugby. Try as I may however, I cannot see them returning with anything other than a most comfortable win under their belts.

Every game is an important one for SIDMOUTH, given the position in which they find themselves.

Saturday's encounter is absolutely vital to their season however, for they travel to CHOSEN HILL FORMER PUPILS, a side lying just one place above them in the South West League Division One. If they can return on Saturday

evening having conjured a win, then much would be done for their collective confidence, not to mention their league position.

People who have watched Sidmouth far more often than I this season do tend to feel that there is not a lot wrong with their game that a couple of wins would not put right. One of these might just come on Saturday if they play to their capabilities. Their opponents will however certainly be a handful on their own ground.

The Sidmouth second side could well come out on top when it entertains its opposite numbers from Okehampton, while Sidmouth thirds will probably have its hands full at Cullompton thirds.

The Sidmouth Colts too will be assured of a competitive game at Okehampton, where they will hope to put the disappointment of last week's result behind them.

Honiton seconds might just be too strong for Torquay thirds, while the Honiton Colts side probably have the most difficult encounter of the day and will have to be at their best if they are to beat Barnstaple Colts, home advantage notwithstanding.

FOOTBALL RESULTS, FIXTURES AND TABLES

Devon & Exeter League

HEAVITREE Social Utd leapt into pole slot in the Premier division after their 5-0 victory at bottom of the table Otterton. With their main rivals in cup action, the Heavies were able to make the most of their chance and were five goals clear at the break. Otterton did well to deny their visitors further goals in the second half, but Heavitree were more than satisfied with the outcome as they went a point clear of former leaders Sidmouth Town. Stacey Thorp, Callum Hoare, Ashley Barker, Paul Furzer and Dave Rowe had the goals.

Clyst Valley won the only remaining Premier match 4-1 at Feniton where their finishing was much more lethal. Both teams played well in dire conditions, but Clyst never looked back after their 2-0 interval lead. Nathan White and a deflected Mike Vernon goal had the Valley in charge, Luke Gallin pulled one back to give Feniton hope before two solo efforts from Ashley McDermid finished things off.

No games were played in Division 1 because of the weather, and only one match was completed in Division 2, the University winning 4-1 against Exeter Civil Service. The game between Exmouth Amateurs and Barnstaple Town was abandoned at half-time at 1-1, Josh Hill having scored for the home side, and at Dawlish Town only 35 minutes were played before their match against Honiton Town was halted. The score at that point was blank.

The Royal Marines won their derby game against Lymington 3-0 with Dan Boere, John Veal and Tony Higgins scoring. This was the only Division 3 game to beat the weather.

Countess Wear Dynamos the Division 4 leaders cantered to a 6-1 win against Crediton Utd. New signings Scott Forster 2 and John Nott scored half the goals, the others coming from Jack Greenslade, Mark Lever and Dave Rose.

Wellington Town top the 5th Division after their 5-0 win at home to Westex Rovers. Danny Thomas, Nathan Thomas, Jamie Hopkins, Dave Darch and Ashley Gaines shared the goals.

Sampford Peverell won the other game played 3-1 at Broadclyst Social Club and scored all four goals.

There was a big shock for Division 8 leaders Bradninch who lost 5-2 to Amory Park Rangers. Ash Sinkins and Dave Cook were the Bradninch scorers.

Sidmouth Town are through to the quarter finals of the East Devon Senior cup thanks to a narrow 1-0 win at East Budleigh. Top scorer Dan Norman had the only goal but the host team did not make life easy for the Premier side.

Nick Gumm with a hat-trick and Matt Miller with the other two goals helped Newtown put paid to St Martins 5-1 in the East Devon Senior cup.

North Tawton beat Newton St Cyres 4-0 in the other tie to survive. Star man Darren Nicholls, Robert Board, Tim Williams and Paul Burrow scored the goals.

There was a big upset in the Devon Senior cup at Sidbury Utd

where fourth division Dawlish came from 2-1 down to win 3-2. Kieran Small and Sam Elstub netted for a dejected home side.

Bampton are out after losing 3-1 to Roborough, but Halwill won 7-2 at Bratton Fleming after retracing their steps from last week when the tie got called off. Andy Wonnacott slammed four goals for Halwill, the others coming from Andrew Winsor, Ben Potter and Tony Knight.

The Phoenix Club will have to wait another week after their opponents Buckland postponed their tie, and Hemoyck were forced to call off their Intermediate tie against Bickleigh yet again.

**The League wishes to remind clubs and referees that in the current inclement weather league matches have to be played the full distance. Many are under the impression that after 70 minutes the teams can mutually agree to halt the game whatever the score. Matches have to be equal halves and the 70 minute ruling only applies if clubs agree prior to kick off.*

MATCH REPORTS

SEATON TOWN 4

MORCHARD BISHOP 3

THE Colyford Road faithful were treated to an entertaining game of football, in which both teams passed the ball well in difficult playing conditions.

The greens opened the scoring inside the first 15 minutes, through impressive teenage striker Cameron Vere who rifled home from a narrow angle.

Shortly afterwards, and against the run of play, Morchard Bishop were awarded a corner in which Stapleton in goal was caught in two minds, catch or punch? - he did neither and flapped the ball into the goal.

The Seasiders continued to play well and played some great football considering the awful conditions. Ede, Fellingham and French were causing the visitors all kinds of problems with their array of passing skills.

With ten minutes remaining of the half Seaton were awarded a free-kick 35-yards out, in which 16-year old Robbie Fellingham smashed a left foot curing shot

towards goal that left the visiting keeper rooted to the spot, the ball hit the post and rebounded off Josh French's head and into the goal.

Bishop came out in the second-half with all guns blazing and forced a couple of exceptional goal-line clearances by Seaton's superb centre-back Mark Perham.

The home side seemed to be getting outplayed and soon found themselves conceding a second goal after a goal mouth scramble.

With 25 minutes to play and after constant pressure Morchard Bishop went ahead after another crossed ball that the greens failed to deal with. Seaton looked like losing their unbeaten record, so they were forced to make immediate changes to their formation and personnel.

Pacey defender Marcus Wyatt was pushed up front with Vere and Alphonse and the introduction of Hayes and Cross gave the greens a much needed lift.

Wyatt up front was causing all sorts of problems for Bishop as Seaton now had to be more direct. The visitors failed to clear a routine cross, and right -back Ollie Morgan scored the equaliser to force extra-time.

By now Seaton were controlling the match with winger Ritchie Durrant starting to get more involved in the game.

The visitors were now looking tired and lost for ideas as the youthful Seaton looked sharp and hungry for the win.

Morchard Bishop did have one great opportunity to score when they cleverly broke the offside trap, their striker found himself completely clear on goal with only keeper Stapleton to beat, the young keeper excelled and to the disbelief of the visitors, managed to smother the shot.

With 10 minutes remaining Seaton's French was dragged down inside the penalty area, in which everyone in the ground saw apart from the referee, this did not halt the Seasider's ambition and in the last five minutes of extra-time Seaton scored a well deserved winner through Durrant.

● Seaton Town line-up: Stapleton, Morgan, Wyatt, Perham, Fellingham, Ede, Lamb-Wilson, Durrant, French, Groves, Vere. Subs: Alphonse, Hayes, Cross. Unused subs: D. Perham and Sellick.

Man-of-the Match: Mark Perham.

MILLWEY RESERVES SQUANDER TWO-GOAL LEAD

THE Perry Street League clubs were once again hit by the stormy weekend weather.

DORSET INTERMEDIATE CUP - ROUND TWO

THE day's most action-packed cup-tie took place at the Davey Fort where Lyme Regis crashed out 4-3 at the hands of Blandford Sports.

Lyme, still missing the injured Adam Caddy, dominated the first half-hour and should have been away and clear. But a combination of three efforts kicked off the line, the woodwork, and some woeful finishing left the scoreline goal less. The visitors broke the deadlock in the 34th minute after a poor defensive header by the normally reliable Luke Clifton. A mistake and the other end five minutes later presented Julien Simier with the opportunity to waltz past the Sports' keeper and roll the ball into an empty net.

A goal from live-wire Blandford striker Sam Aygar in the 69th minute then sparked a goal rush. A minute later Seasiders' skipper Dom Rowe got on the end of a Steve Batey long throw-in to head home the equaliser.

But Aygar struck twice more, the second after Rowe had sold keeper Ashley Caddy short with a

Perry Street League round-up with Howard Larcombe

miss-hit back pass, in the space of four minutes to complete a superb hat-trick. Although his exuberant goal celebrations right in front of the packed clubhouse didn't go down too well with 'Fort faithful'!

Simier pulled another goal back for Lyme two minutes from time but the Blandford side, made up entirely from squads from the local army camp, weren't to be denied. Lyme Manager Robin Townsend was left scratching his head at the final whistle, he said: "I'm not too sure how we lost that, everybody put the effort in – we just failed to take all the chances that we created in the first-half and paid the penalty." Top performer for Lyme was keeper Caddy who pulled off some superb saves.

DIVISION ONE:

FARWAY United made the trip to Thorncombe but the game was abandoned before a ball was kicked.

DIVISION THREE:

FIVEHEAD United leap-frogged over opponents Millwey Rise Reserves and up into third spot with a 5-2 victory.

Star of the show for Fivehead was ex-Charmouth striker Rob Cooke who bagged four with Warren Gabbidon chipping in with a single. Earlier Danny Larcombe and Keith Forsey had given the Devonians a 2-0 lead before Cooke intervened.

Dean Hightett opened the scoring against visiting Lyme Regis Bantams in on his debut for Misterton Reserves. Tom Rowe gave Missy a two goal advantage at the break. Rowe scored again and Alex Stevenson who had a sparkling first-half on the left wing netted number four. Ben Strong pulled one back but Steve Martin completed the nap-hand for the hosts.

with Chris Young

IN the Evening Divisions the home teams gained just one point; Musbury's three points, a 5-3 victory and a draw at Sidbury, takes them to the top place while Beer won 6-2 and are now second.

In the afternoon Division One Beer won twice at home, 7-1 and 5-3, and now lead the division having also gained an 80 shot advantage from the two games.

In the other game Seaton Cliff B won 6-2 at home and move up two places.

Awliscombe B now lead the second division after winning 7-1. All home wins this week in this division; Lyme Regis, 8-0, gained two places, Seaton Cliff C, 6-2, gaining one place.

In the Knock-out Sidford's 4-3 home win was not to overcome their away leg deficit so Colyton go forward to the semi-final stage 9-5, the other two games drawn. Awliscombe A won their away leg 5-3.

AXMINSTER CRICKET CLUB

MILLER TAKES THE ARMBAND

The annual meeting resulted in a few changes made at the club for the 2010 season and also included much discussion on the rewriting of the club constitution.

In summing up the 2009 season the secretary thanked members for their support and the efforts of the chairman and other officials to maintain the standing of the club.

The results from all teams showed that it had been a poor season for the club but he remained optimistic for the future. He thanked the new groundsman Brian Prior for all his hard work during his first season in charge as well as those who had assisted on a voluntary basis.

The meeting, chaired by President Les Haynes confirmed John Isles in the chairmans role with the ever-present Geoff Enticott continuing his long service as secretary. Les Haynes, who is also finding it hard to leave his post offered to carry on as fixture secretary and was duly elected. Veteran Paul Miller was elected as 1st team captain with Nick Taylor as his vice captain. Paul will be doing his utmost to turn around the fortunes of the club after the poor season in 2009.

The club has resources created through the long standing junior section but there is a need for more experienced players to help take the club forward. The club are not necessarily looking for 'top class' cricketers – although these would

be very welcome – but those who with experience who could encourage the many juniors now playing.

Mark Enticott continues as third eleven captain with youngster David Gadsden as vice. The captaincy of the 2nd and 4th teams will be finally decided at a meeting in the new year.

Youngsters Ben Fuzzard and James Mitcham have offered to look after the Sunday XI.

The junior section of the club had again seen an increase in membership and with several club members attending coaching courses during the winter Club Coach Dan Murnane anticipates having more assistance to spread the load during the winter and summer training sessions. Kirsty Wackley was able to report a successful season for the ladies, who finished second in the Devon League, but the members were disappointed to hear that she could not continue as captain next year. The ladies section will also be seeking additional members to maintain their position as on eof the leading teams in Devon.

Information on the club can be obtained from the secretary and, in relation to the junior section, Head Coach Danny Murnane.

The colts continue their training sessions at the Axe Valley Sports Hall and no doubt details will be available soon for the times of adult practice.

DIVISION TWO: Lyme Bay 26 NAS Vehicle Repairs 10, JD Tyres 22 Tip Top Trees Acorns 24, CMC Birds 9 Met Office Weather Girls 37, Sidmouth Toucans 19 Flamings B 40.

ANOTHER four games in Division Two this week with only Bampton without a game. Tip Top Trees Acorns maintained their good form with another win – this time defeating JD Tyres by 34-22 thanks once again to some fine shooting from Dani Wakeley.

Sarah aka Louise Newton was the pick of the JD side but Acorns are in great form at the moment. The first period was close with the Trees 7-4 to the good. In the second period they dominated the play and JD Tyres fell 5-15 behind before rallying in the third quarter where the play was even going goal for goal. At the start of the final period Acorns still led, by 23-13, but JD were looking good for a point. This proved to be the case, with Tip Top Trees Acorns winning by 34-22 to hold the top spot for another week.

Flamings B kept the pressure on Acorns when they returned to winning ways when they met Sidmouth Toucans. The Toucans have not been as formidable this season as they have in previous campaigns and tonight it was Flamings who took the points. With Cressida Auckland playing well for Flamings they established a 18-8 lead by half way. Although Vicki Tarr got the Sidmouth side going better in the last two periods they could not do enough and their 40-19

defeat also meant they missed out on gaining a point. As a result of this, and because Lyme Bay recorded another win, the Toucans slipped to sixth place.

Lyme Bay moved up to fifth as a result of their victory over NAS Vehicle Repairs. Lyme Bay, with Emma Bright playing well were too strong for NAS, despite fine work from Chrissy Squire and it Lyme who came out best with a 26-10 win. Final game of the night saw CMC Birds up against unbeaten Met Office Weather Girls.

With Rebecca Green excellent at GD for the Met Office they proved too strong for CMC and their unbeaten record never looked in danger. The CMC defence had its work cut out and splendid play from Julia Mallon kept the Weather Girls score down to a respectable level. Nevertheless it was a fine 37-9 win for the Met Office, a win that saw them move back up to third place. The second division promotion race now has four serious contenders – Acorns, Flamings B, the Weather Girls and Bampton.
